WOMEN OF THE MOOSE MEET

The regular meeting of the Women of the Moose Chapter 1426 was held April 15th in the Moose Hall. Senior Regent M. Mantey chaired the meeting. Recorder E. Burns read the minutes and correspondence and also gave the Treasurer's report.

Business of the organization was discussed and it was decided that the proceeds from the last Bingo sponsored by E. Berndtsson and her committee would be donated to a local family. The meeting was closed by the Senior Regent and she also announced the next meeting would be held on Wednesday, May 15th at 8.00 P.M. in the Moose Hall when Mrs. A. Stachiw and her hospital committee would be in charge of the luncheon.

MINOR BASEBALL NEWS

Registrations for Minor Baseball will be taken next week through the schools in the hope that practices and games will begin about the first of May. Weather and condition of the field will decide the definite starting time.

Because interest in Minor Baseball seems to waver half way through the summer it has been very difficult to run leagues throughout the holidays. Vacations, etc., keep the boys from getting out to games and many cancellations have resulted, in the past. This year we hope to give the boys plenty of baseball, but also leave them free time during the holidays.

During the months of May and June, league games for teams in all age groups will be run after school, from 4-6 p.m. Schedules will be completed by the end of June. Play-offs will take place over the first two weeks in July, league champions in all groups being declared by July 15th. This will end regular league games. For the balance of the summer games will be arranged against out-of-town competition, for all-star teams in each age group. This will allow the boys who want to continue throughout the summer to keep playing. Following this plan, both those who have a keen interest in ball and those who usually lose interest by the end of July will have plenty of opportunity to satisfy their desires to play.

Keep your eye on the "News" for more on Minor Baseball.
