 structors.

**COACHES AND UMPIRES STILL NEEDED - Minor**  
 Baseball is still greatly in need of coaches  
 & umpires! We have 172 boys divided into  
 eleven teams, and they need your help.

Leagues have been operating successfully  
 for several weeks now, but it has become  
 increasingly difficult to operate with the  
 few volunteer coaches we have. The boys are  
 showing greater enthusiasm for the game than  
 ever before, but with 4 teams scheduled for  
 action each day of the week, we need more  
 volunteer aid.

Below is a list of the help we require:  
**Umpires:** For games on Mondays, Wednesdays &  
 Fridays at 4.30.

**Coaches:** For 2 teams in the American League,  
 playing twice a week at 4.30.

- For the Bantams, practicing Thursday at  
 4.30 and Saturday at 9.00 A.M.

- For the Midgets, practicing Tuesday at  
 4.30 and Saturday at 10.30 A.M.

All we need is a few people willing to  
 spend 2 days a week to give these boys the  
 instruction they require. If you'd like to  
 help them, call the Recreation Office NOW...

Those who have been helping us operate so  
 well to date are:

- Chas. Koski & Cleon Smith in the Inter-  
 national League.

- Don Farrow, Gary Newell & Doug Moore in the  
 American League.

- David Wheeler, Ron Schock, Jim Crawford,  
 Richard Jeanneret & George MacKay in the

 at the beach, tot-lots and playground now, in  
 preparation for the summer. Summer programme  
 staff this year will be:

**LADIES AUXILIARY MEETING - Cont'd from Pg.7**

to another evening of delightful singing as  
 they sang several popular repeats and two  
 very lovely new additions to their growing  
 repertoire.

Mrs. N. Coe thanked Mrs. Ellen Hodgkiss,  
 their conductress and accompanist, and the  
 members of the choir for their most enjoyable  
 visit.

A short religious film, "The Alabaster Box"  
 was most impressive and inspiring. Miss Norma  
 Schock was the projectionist.

Mrs. Louella Ginn and Mrs. Helen Brooks  
 gave a demonstration of cake decorating after  
 which the members participated and the  
 evening concluded with tea and the beautifully  
 decorated cup cakes.

The afternoon group of the Ladies Auxiliary  
 met also on Monday and welcomed many visitors  
 to the viewing of the film from the Cancer  
 Society. Dr. M. McCausland followed up the  
 film with a further explanation.

During their work period the members made  
 repairs to the Hymn Books and Mrs. Dorelle  
 Wade read a letter of appreciation from Miss  
 Dearing for the boxes of clothes received &  
 her disposal of them among her parishioners.

During the meeting it was announced by  
 Mrs. Soughton that Mrs. Norma Coan would  
 take the September meeting.
