J.A. FERRIER ELECTED TO

J. Heenan
D. Evans-Smith

The first Municipal election in the history of Terrace Bay was completed last night, June 24th,

Congratulations are in order for the successful candidates. Congratulations are equally deserved by those candidates who did not make it. In running for office they have shown a genuine interest in the affairs of this community and the number of nominees for office made the election a very interesting one indeed.

The Kiwanis Club of Terrace Bay sparked a great deal of interest in the election, particularly with their "Meet the Candidates Night" held on Wednesday, June 17th in the High School Auditorium.

At this meeting more than 250 people heard each candidate speak and a very interesting question and answer period followed. The Kiwanis Club are to be complimented on doing a very fine job.

While bouquets are being handed out we would be remiss if we did not mention the efficient job done by Secretary-Treasurer Frank Strutt and Bill Hanly all through this period of nominations and elections, and one can safely say that it is only the beginning for them!

All civic minded citizens, we feel sure, have been well pleased with the terrific interest shown in the election. This interest was definitely confirmed at the poll on June 24th, as indicated by the number of voters who turned out.

We are certain that this interest in civic matters will continue and flourish under the new Town Council.

The Terrace Bay Township Council will hold its first meeting on July 3rd.
