NOTICE TO JUNIOR GARDEN MEMBERS - T.B.H.S.

All Junior Gardeners please take note that judges will be around again this week for their July inspection. They will be checking your garden especially for thinning, weeding, cultivation, staking of peas and general neatness. There is still time to get busy and get your garden into shape for all those points that choose the winner.

If you aren't home, a marker with your name will easily identify your garden for the judges. And remember, boys and girls, your parents make a neater sign and cultivate your garden better than you BUT that isn't what the Junior Gardens Club is for--it's your own work that counts.
