## LAST APPEAL FOR BLOOD DONOR CLINIC

This is the last appeal for blood donors. The Blood Donor Clinic will be held in the High School Auditorium on August 19th from 2-5 P.M. and 6.30 to 9.30 in the evening. This is your opportunity to give blood and save a life.

In 1958 4,534 pints of blood were shipped to the Lakehead. In 1957 over 5,000 pints were used. This blood must be replaced as it used and since we benefit from the blood bank it is up to us to help keep the bank replenished.

If you wish to give blood please leave your name at the Doctor's Office between the hours of 9-12 noon or 2-5 P.M. or with the Plant Nurse or phone 3654.

Anyone who has not made an appointment but wishes to donate blood may come to the Clinic on August 19th -- no one will be turned away.

## ANNUAL HORTICULTURAL SHOW AUGUST 22ND

## KIWANIS CLUB STAGE SUCCESSFUL FISH DERBY

The dozens of smaller lakes in the immediate vicinity of Terrace Bay as well as large old Lake Superior were given a thorough working over by ardent anglers during the two-day Terrace Bay Fish Derby, August 8th and 9th. Since no geographical boundaries were declared fishermen and women spent the two days in their favourite spot with their pet lures and bait trying to bring home a winner.

Members of the Terrace Bay Kiwanis Club, sponsors of the Derby, were kept busy weighing in fish from 5:30 to 8:00 P.M. both Saturday and Sunday and prizes were distributed to many happy anglers.

Winners in the Pike category were Mr. J. Wilcox of Marathon with a 10 lb. 1 oz. fish; Mr. R. Mendelin of Pt. Arthur with a 9 lb. 5 oz. catch and thirteen year old Diane Paulsen of Terrace Bay who caught a 5 lb. 14 oz. winner. Kuzyk and seven-year old Murray Kydd received both third prize and the prize presented to the under-fifteen group in this class. His father, Gordon Kydd was awarded fourth prize and E. Murphy of Marathon placed fifth.
