## AWARDS NIGHT GREAT SUCCESS

Over 200 spectators gathered at the High School Auditorium last Friday night for the Awards Night and Playground Display. Over half of this number were parents.

Awards were presented to 116 children for Minor Baseball, Red Cross swimming, playground physical fitness, and playground total points tests. In addition, a very pleasing programme of entertainment was provided by the playground children.

Congratulations are due to the swimming instructors, Ralph Warren and Judy McCausland, and to the playground leaders, Norma Schock, Betty MacFadyen and Diane Beddard for the fine job they did on the Summer Programme this year. Over eighty people successfully passed their Red Cross swimming tests. Besides this, our swimming team competed more successfully than ever before. Summer Playground was even busier, with an average of over 150 per day attending the programme over the two-month period.

Our thanks to the parents who showed enough interest to attend our Award & Variety Programme. Your support assured us that this can become a worthwhile annual affair.

## SUMMER PROGRAMME CLOSES THIS WEEK

After the busiest summer in its history, our Summer Programme closes this week. Summer Playground sessions continue at the regular hours until Wednesday. There will be no further summer playground after that date.

Lifeguard supervision will be provided at the Dam up to and including Sunday, August 30th. The beach programme will close after that. Buses to the Dam will run at 1:00 and 1:15 daily until Friday, August 28th.

## SCOUT CAMP WORK PARTY

C.I.L. have donated enough paint to paint Terrace Bay Scout Camp at Whitesand Lake. Two work parties are needed---to prepare the building for painting and to apply the paint. Fathers and friends of Cubs and Scouts are needed. This is your opportunity, Dad, so put on your old clothes and help us preserve the Camp.

On Saturday, August 29th and Saturday, September 12th, we will leave the Post Office at 8:30. Bring a lunch and spend the day if possible. Many hands will get the job done. Don't leave the job to somebody else--we need plenty of help.

## RED ROCK PAPER KINGS IN SR. BASEBALL FINALS

At the time of writing the best of seven series between Red Rock and Westfort Albions in the Lakehead Senior League is tied at one game each.

On behalf of sports fans along the North Shore we would like to congratulate the Red Rock Team on their accomplishment in reaching the play-offs. They earned a berth in the finals by knocking out, in no uncertain terms,

last year's Champs, Port Arthur Red Sox, in the semi-final series. The Paper Kings are the first team from outside the Lakehead to reach the finals in more than twenty years!!

All the games in the final series are being played in the Lakehead. This seems to us to be rather an unfair job of scheduling. They say the Red Rock diamond is not in condition--but it was apparently okay all season and at least one game of the semi-finals was played there. To say the least Red Rock are at a disadvantage with no home games in the finals. However, Red Rock are making their presence in the League well known and other North Shore entries in the League will no doubt benefit from the experience gained by them.

The Terrace Bay Comets were edged out of the play-offs and the Paper Kings played a big part in that. The Comets trouble started this season when Red Rock won a twin bill in Terrace on May 24th.

All sports fans along the North Shore will be pulling for the Red Rock Club--win or lose in the finals, we can be sure they will put up a battle. Win or lose they have made the Lakehead Senior League sit up and take notice and, in the process, the Senior League will become a better league.

Well done and best of luck Paper Kings!!

## OPEN AIR MASS HELD

Despite inclement weather a large crowd participated in Schreiber's Seventh Annual Open Air Mass. The procession was formed at Holy Angels Church and, because of threatening rain, proceeded to the Schreiber Arena. Following the celebration of Mass and Benediction of the Blessed Sacrament, the procession returned to the Church.

Rev. Father Cano, Schreiber's newly appointed Parish Priest, was celebrant at the Mass. In his sermon Father Cano urged all Christian families to model their family life after that of the Holy Family.

Rev. Father Fenlon of Fort William explained the Mass as it proceeded, including in his narration the historical background of the vestments and the ceremonies.

Very Rev. Dean Gallagher of Terrace Bay and Rev. Father Greengrass of Marathon assisted at the Mass. Arrangements were under the Chairmanship of John Power of St. Edwards Council of the Knights of Columbus.

## SHIFT #4 WINS FIRST GAME IN FINALS

On Friday, August 21st Shift #4 took Shift #2 by the convincing score of 15 to 5. On Monday night, August 24th the second game was called by Umpire-in-Chief Ray Stachiw on account of darkness. With Shift #4 ahead 8 to 6 at the time this move by the umpire was not the most popular decision made all evening. Shift #4 is one game ahead in the series.

Action should resume again Wednesday, Aug. 26th, but, with Shift #2 on the 4-12 starting Thursday it is not known at this time when the series will be completed.
