A THANK YOU

As a grateful parent I would like to take this opportunity to thank Ken Ward and his Staff for the wonderful job they did with the children's Summer Program. A special thanks to the girls who directed the Summer School and to the Swim Instructor and his assistant. Speaking with other Mothers, they were all of the same opinion that this year's program was enjoyed so much by the youngsters it was no effort to get them to attend. They are certainly to be commended for a job well done.

(Signed) A Grateful Parent
