SHIFT #4 ONE GAME UP IN THE SOFTBALL FINALS

Shift #4 lead the best of five softball finals over Shift #2 by two games to one.

Last Wednesday night Shift #2 won their first game in the series in dramatic fashion. Shift #4 were two runs ahead in the game-- Shift #2 were at bat in the last half of the last inning. They got one run across for an 8-7 score. There were two out--there were two men on base--it was a full count. Paul Pluta then slammed out a home run to win the game for Shift #2. It was a spectacular finish.

On Sunday, August 30th, Shift #4 came back with a 9-7 win over Shift #2 to again go ahead by one game. But Shift #2 can't be counted out. Thursday, September 3rd these two teams meet again. Shift #2 has to win to stay in the series so it should be a real good game.
