THANKS FROM EAST THUNDER BAY T.B. ASSOCIATION

The East Thunder Bay Tuberculosis Association would like to thank all who participated in the Mass Chest X-ray survey. Special thanks to Dr. J.M.Cornell and Dr. M.J.McCausland and the nurses for conducting the Tuberculin testing Clinic. The Kiwanis Club of Terrace Bay, the Kimberly Clark Pulp & Paper Company Limited, Mr. Paget and his group of workers, Mrs. Cam. Legault of Rosspport and her group of workers, the Canadian Legion and Legion Ladies Auxiliary, Schreiber and any others who assisted to make this survey a success. There were a total of 6194 X-rays taken in this survey and it is only through the help of the voluntary workers that this highly important part of our work, the complete eradication of tuberculosis, can be accomplished in our various communities.

Your generous support in the purchasing of Christmas Seals assists in this great effort.

Sincerely,

N.A. McCuaig,
President.
