N.S.H.L. GOVERNORS MEET IN RED ROCK DECEMBER 5

Referees were instructed at this meeting to enforce rules more rigidly, with particular emphasis on high sticking, deliberate attempts to injure, et cetera.

The possibility of having two referees at each game was discussed but, due to an insufficient number of referees, the suggestion was deemed impractical.

Hockey fans along the North Shore will appreciate the fact that the Board of Governors considered the rough type of hockey played so far this season sufficiently serious to warrant steps being taken to guard against future repetition.

A more rigid application of the rules should be good news for the players. The N.S.H.L. is one in which players are not paid. They all have to work for a living and a great number are married men. These players do not want, nor can they afford, unnecessary injuries.

The subject of rough, dirty hockey is not new in the N.S.H.L. Let's hope the decision by the Board of Governors is adhered to. If not it is quite possible that certain teams may withdraw from the League. This would mean the final whistle for the N.S.H.L.

Brassard was serving a penalty.

Maurice Osmar from Brassard and Whalen tied the score at 4:31 of the 1st period.

In the second period, Marvin Osmar scored at 0:25 to put Terrace one goal up only to have Manilla from Swan at 11:46 and Dahl from Ward and Manilla at 18:21 put Nipigon ahead. Stachiw unassisted at 19:58 evened the score at 19:58 of the 2nd period.

Baxter, for Nipigon, at 16:45 scored a disputed goal and Maurice Osmar scored his second goal at 19:02 which was also disputed.

There was no scoring in the ten minutes of overtime and the game ended four all.

Maurice Osmar led Terrace with two goals and Dahl with two goals starred for Nipigon.

The game was cleanly played and it is hoped that this is an indication of the type of hockey to be played in the N.S.H.L. this year.
