In order to cut down on paper work encountered in requests to have driveways plowed in Terrace Bay, all residents please take note of system to be followed in future:

Requests for plowing will not be taken by telephone. Instead, forms are available at the Guard Station which, when properly completed, may be mailed or handed to the Office Cashier, together with one dollar to cover the regular Company charge.

Residents are encouraged to get their requests in before 9:30 A.M. of the day they wish their driveways plowed. (Although this does not guarantee the job will be done the same day).

Snow Plow Operators have been advised they are to plow only those driveways they have slips for.
