CHARITY FUND DRIVE SUCCESSFUL

The Kimberly-Clark Employees' Charity Fund is off to a good start. All canvassers have turned in their kits and returns to date show that \$4,557.50 has been pledged by 391 persons. This figure represents approximately 67% of the total payroll including hourly, salary, hospital and hotel and compares favourably with the first year results obtained by other mills in similar campaigns. It is hoped that more people will sign up in the future. This may be done at any time at the Employment Office.
