## MERRY CHRISTMAS!

The Staff at the Terrace Bay News takes this opportunity to thank the advertisers for their confidence in us during the past year; to thank those who have contributed news items and to wish everyone a Safe and Happy holiday.

## TERRACE BAY FIRE DEPARTMENT - CHRISTMAS 1959

It is sometimes difficult to aptly express our good wishes to friends both new and old at the Yuletide. We do appreciate deeply your confidence and the good will it has been our pleasure to enjoy during the year 1959 and which we trust will continue to grow during the years to come.

Thanks to you our fire losses are very low and we appreciate your help in keeping Terrace Bay so free from fire. We have one of the lowest fire losses in Ontario for population of under 2,500 in Class F.

May we of the Terrace Bay Fire Department take time out now to offer to you and the members of your family our sincere best wishes for a Merry Christmas and a Happy and fire-free New Year.

George Maitland,  
Fire Chief.

## TO ALL SCHREIBER CITIZENS

On behalf of the members of the Schreiber Voluntary Fire Department I wish to take this opportunity to thank the citizens of Schreiber for making 1959 our lowest year for fire losses. Special thanks also to our Reeve and Council for their co-operation with us during the past year.

We wish everyone a very Happy and Fire Safe Christmas and New Year.

Please help us to make a new record for low fire losses in 1960 by remembering this slogan:-

**"DON'T GIVE FIRE A PLACE TO START"**

W. R. Weaver, Chief,  
Schreiber Fire Department.
