

THE TOWNSHIP OF TERRACE BAY

The Reeve and Council of the Township of Terrace Bay wish every resident of the Township a Very Merry Christmas.

The consideration and understanding shown by the people of this community during the past year when changes were being made in the administrative set-up of the Town have been much appreciated by their elected representatives.

Based on the same spirit of co-operation and enterprise the New Year 1960 can only be one of forward movement for all of us here in Terrace Bay.

On behalf of the Council I wish you a Happy and Prosperous New Year.

J. A. Ferrier,
Reeve.
