HAPPY NEW YEAR

To climax the gay round of social events and visiting around which has been going on during the holiday season, residents will once again have a choice of public dances to attend this New Year's Eve.

They can ring out the old and bring in the new year at the High School Auditorium where the Terrace Bay Curling Club are sponsoring their thirteenth annual New Year's Eve Ball. Music will be supplied by Clark Rabideau and the Polka Kings, a Lakehead orchestra, and noisemakers, hats, et cetera will be supplied to add to the fun. The Moose Lodge are sponsoring a Cabaret Style New Year's Eve Frolic in the Moose Hall with music by Adamo and here too favours, hats and noisemakers will be distributed.

To one all, whether planning to attend a public gathering or not, the "News" extends the wish for a Very Happy New Year!

'NIPPER' OSMAR LEADS SUPERIORS TO A 12-10 WIN OVER MARATHON ON SUNDAY

On Sunday, December 27th, Terrace Bay Superiors and Marathon Mercuries went on a goal getting spree as Superiors downed Mercuries by a score of 12 to 10.

Maurice 'Nipper' Osmar led all the way in the goal-getting department as he scored nine of the Superior's twelve goals which may be a league record for goals scored in one game. In fact, scoring nine goals in one game will probably take some checking of records to establish just what the record is in organized hockey.

Both teams were short of players and yet the play was fast and furious most of the time. Players tired at times and the pace lagged, but for the most part it was a fast wide-open hockey game as the score would indicate.

Nipper Osmar opened the scoring early in the game--in fact he scored six consecutive goals. Mercuries retaliated quick and often. Going into the final stanza it was a tied hockey game. The Mercuries quickly went into the lead but, with the plays of the Osmar Brothers clicking, Superiors came from behind to hold a 11 to 9 edge with minutes to go. Mercuries again threatened with a goal but Marvin Osmar banged in the insurance goal.

For Superiors Nipper Osmar led with nine goals. Marvin Osmar scored two and assisted on seven. Tom Pollard scored and Dave Whalen came up with seven assists. For Mercuries Charyna netted four goals with two assists. Amadeo picked up two goals and two assists. Ferguson two goals and one assist. Lanteigne and Moon each got a goal.

This win gives Superiors a total of seven points in five league games played and puts them on the top of the league with

a game in hand. In four games they have won three--tied one and lost one. Terrace Bay's next home game is on Sunday, January 10th against Red Rock Royals.

A HAPPY---AND SAFE---NEW YEAR!

On New Year's Eve and New Year's Day, 1958-59 there were eleven fatalities on the highways of Ontario. Four out of five drivers involved in fatal holiday accidents were driving too fast for conditions and alcohol was found to be a factor in one of three of such fatal accidents.

To promote a safe New Year, the Highway Safety Branch of the Ontario Department of Transport suggests:

Stay alert and keep your mind on your driving and walking.

Don't drive after drinking. If you're walking, take extra care.

Reduce your speed to fit conditions. Proceed with care at dusk and night, driving or walking.

Give pedestrians and other drivers more consideration.

Drive right and be left to enjoy the holidays.

Drive as if your life depended on it--It does!

Pedestrians--Avoid that run down feeling. DON'T GO OUT WITH THE OLD YEAR.

HUNTER SAFETY TRAINING PROGRAMME WINS INTERNATIONAL AWARD

An international award in recognition of its contribution in the field of hunter safety training has been received by the Ontario department of Lands and Forests. The citation reads: "The National Rifle Association of America presents to the Province of Ontario this award of merit for outstanding achievement in the field of hunter safety during the year 1959, as determined by a special committee of the International Association of Game, Fish and Conservation Commissioners."

In announcing the award, Louis F. Lucas, executive director of the National Rifle Association said: "Your province was selected as having made an outstanding contribution in the field of hunter safety during the past year. We, here at the N.R.A., feel that such noteworthy achievements in this programme as accomplished by your province, merit special recognition. We are pleased to present this citation to the Province of Ontario."
