**MILL SAFETY CONTEST PROMOTION NIGHT**

The mill Safety Contest Committee originally planned to hold a safety rally at the High School Auditorium on Feb. 26th in order to select and present the mill "Mr. Safety" and other contest awards.

There are a number of events which are scheduled to take place during that week. There are play-off hockey games scheduled and the Terrace Bay Figure Skating Ice Show is being presented on the evening of February 26th. The mill Safety Contest Committee is therefore making the following changes.

The crew awards for the "Mr. Safety" contest will be selected and presented by the Department Superintendents at special meetings of the crews in the mill. These selections to be drawn and the awards presented before February 26th.

Realizing that a large number of the mill employees will be attending the Figure Skating Show on February 26th, the Contest Committee has made arrangements to select and present, during intermission time at the Ice Show, the "Department Mr. Safety" and the "Mill Mr. Safety" awards. At the same time the Committee will select the "Lucky Slogan" contest winner and the foreman's prize award.

Eligible candidates do not have to be in attendance at the draw to win any of the prize awards.
