of floor hockey which everyone enjoyed.

The emergency for this week was to provide first aid to a boy with a broken leg and make a stretcher suitable for carrying the boy for approximately five miles. Following this, Scouter Sid showed the boys the correct method of doing this, including the proper way to carry a stretcher.

Don Pryor was invested in an impressive ceremony. All the boys in our troop have now passed the requirements for the Tenderfoot Badge and are entitled to wear the Scout uniform.

Following the investiture the boys went to their respective patrol corners to study for tests.

The boys were called into a horseshoe, the colour party retreated the colours and

and the Skipper dismissed us, ending a meeting which was enjoyable for all who participated.

CIGARETTES CAUSE TWENTY-FIVE PERCENT OF FIRES

Cigarettes (matches--smoking, that is) cause about a fourth of the nation's fires. Why? How?

Every year, the Fire Chiefs estimate about 400 billion cigarettes are smoked--about 800,000 a minute. At that rate, it takes only one cigarette in 2,000,000 to cause 200,000 fires a year. If you are a cigarette smoker, the best course to follow is to regard every one you light as the one in two million that may cause a fire.

Because of this, the Fire Chiefs urge you to observe the following precautions: (Cont'd Page 10)
