**SCOUT NEWS - BLACK BEAR "BANTER"**

The meeting of Thursday, March 21st, opened at 6:30 with eighteen boys and five leaders attending. The colour party was formed by boys of the Eagle Patrol.

After some advice from the Skip the boys were shown another method of estimating distances--this time across a river.

Scouter Jim Sweet led the boys in a drill to find certain kinds of wood then the boys went to patrol corners to practice for tests. The Skip called us into a horseshoe, the colours were lowered, there were a few moments Scout silence, the colours retreated and we were dismissed.
