SENIOR BASEBALL OPENS HERE ON MAY 22ND

Once again the baseball season is upon us! The Terrace Bay Comets are entered in the Lakehead Senior Baseball league for the third consecutive season. Practices have started and the team this year have high hopes of making the playoffs.

The League is composed of six teams. They are, the Red Rock Paper Kings, the Port Arthur Red Sox, the Port Arthur Dinty's Colonels, the Fort William Westfort AA, the Fort William East Ends and the Comets.

The Opening day for the 1960 season will be May 22nd. On that day the champions of 1959, the Red Rock Paper Kings, will visit Terrace Bay for a two-game stand. The first game will start at 2:00 P.M. with the second game getting underway fifteen minutes after completion of the first one. Appropriate opening day ceremonies are being planned.

This year, as always, the baseball association need help. This means not only financial help but people who are willing to take an active interest in jobs that will help to keep the team going--ticket sellers, transportation men and ground crews. These are only some of the jobs that have to be done.

A meeting has been called for the large meeting room in the Recreation Centre for Thursday night, May 5th at 8:30 P.M. In addition to items on the agenda for discussion the 1959 World Series Picture will be shown. A large attendance would be greatly appreciated.
