BLACK BEAR BANTER (by Jim Hayes)

The meeting of Thursday, May 8th opened at 6:30 with twenty-two boys and three leaders present.

The colour party was formed by the Eagle Patrol. The boys went outside to play baseball. Following this they had patrol corners and the colour party retreated the colours.

On Saturday, May 10th the Beaver Patrol, along with "Skip" Mr. Shivas, went to Lost Lake for a fishing hike. A total of twenty-nine "Speckles" were caught, making for a very enjoyable trip.

HIGH SCHOOL STUDENTS PRESENT DRAMA NIGHT

The annual Terrace Bay High School Drama Night was held in the high school auditorium on May 10th.

For the first time in public appearance the students sang their school song.

Drama Night, as usual, consisted of three-one-act plays all of which were thoroughly enjoyed by the audience.

The evening ended with a dance (lunch was served) for all the students who had worked hard to put on this successful event.

The support given to the school was greatly appreciated.

TRACK & FIELD

A new interest in Track and Field, stirred by the events taught in the Summer Playground Programme has brought about an effort to form a local Track & Field Club. News that the local Legion Branch will bring the Eastern Zone trials here in June has created a great deal of interest and desire among the younger athletes so that plans are now under way to begin instruction in Track and field events.

Within a very short time registration forms will be distributed and those wishing to take part in these classes may register.

Because the majority of the younger children will receive training at playground, these classes will be limited to boys and girls thirteen years and over.

Watch next week's news for further details.

MINOR BASEBALL

Registration forms for Minor Baseball have been distributed through the schools. These must be returned to your room teacher by no later than this Friday.

Registrants will be divided into teams and a schedule will be drawn up as soon as registrations are completed.

COACHES WANTED

Coaches for Minor Baseball teams are urgently needed. If you are the least bit interested in handling a team, contact the Recreation Office NOW!! Your interest is the main requirement .... you can learn coaching techniques at our forthcoming coaches clinic.

All we ask is a maximum of two sessions per week, each one approximately one and one half hours in length. It's not much time considering the great assistance you can be to the kids.

MOTHERS TAKE NOTE!
