COUNCIL QUOTES

Taxi Proprietor, Mr. A. LeBlanc, was given a hearing Wednesday afternoon by Reeve Ferrier, Councillors Heenan and Bouchard, Secretary-Treasurer Strutt and Assistant Hanly at the regular meeting of Council in the Town Office. The taxi situation in Terrace Bay was reviewed with a partial solution on a home office arrived at for the summer months. Another review will follow up the situation before Winter.

Building permits for the past month totalled \$26,350. A letter from Canadian Geographical advised on names for newly created streets and an application for summer work on town work was received.

Progress on budget work was reported on by Mr. Ferrier. Inquiry by Mrs. Bouchard into replacement of street lights elicited the reply that these are being installed at the rate of three or four a year. A further query by Mrs. Bouchard on the arrival of the sweeper attachment brought Mr. Ferrier's reply that it was expected very soon and that the present manual sweeping was being done to prevent catch basins from plugging.

Fire Chief Maitland's model of a training tower was presented to Council with explanations on erection and cost. Permission was granted to proceed with the building. Approval for one regular and one volunteer fireman

to attend the training course in Gravenhurst this summer was given.

TERRACE BAY SPLIT DOUBLE HEADER ON SUNDAY

The Terrace Bay Comets are just holding their own in the Lakehead Senior Baseball League. In five starts they have won two, lost two and came through last Thursday at Terrace Bay with an exciting tie 0-0 against Red Rock Paper Kings. The trip to the Lakehead last Sunday netted them a win against Westfort but the second game of the double header, although a loss, had plenty of suspense. Comets lost to arguments on umpire decisions. Kolody, Hanly, Pytyck and Manager, J. Thomas, all finding themselves spectators.

Kolody is fast coming up as a big name in the league. His time^s on the mound have been His games and he has been holding up his end in the hitting department having two 2-base hits.

Wilkinson was big man on the mound for the 0-0 game against Red Rock. He was hurling against LaSarge and allowed only four hits with three walks. He came out at the end of the 9th in favour of Kolody, who loaded the bases, sweated through two strikeouts, and had full count against the last man up before he retired him.

LaSarge hurled faultless ball up to the 7th inning only to have a second baseman make an error to put the first man on.

At Westfort Sunday in the double header, the first game became a win 4-2 but it wasn't until a 7th inning rally that the Comets came through. They trailed 2-0 until that time. Kolody and Pytyck were the Terrace Bay battery with Ward and Taylor being the hitters with two each.

In the second round Comets with Taylor, Wilkinson and Kolody going to the mound with Hanly, Pytyck and Stachiw all taking a spell at receiving started off well enough with a quick two run first inning. Westfort got one in the second, again in the fourth and brought the winning run in in the seventh. Comets at least will keep their fingers crossed that there will not be another time at meeting a ten man team.
