JUNIOR GARDEN CLUB NEWS

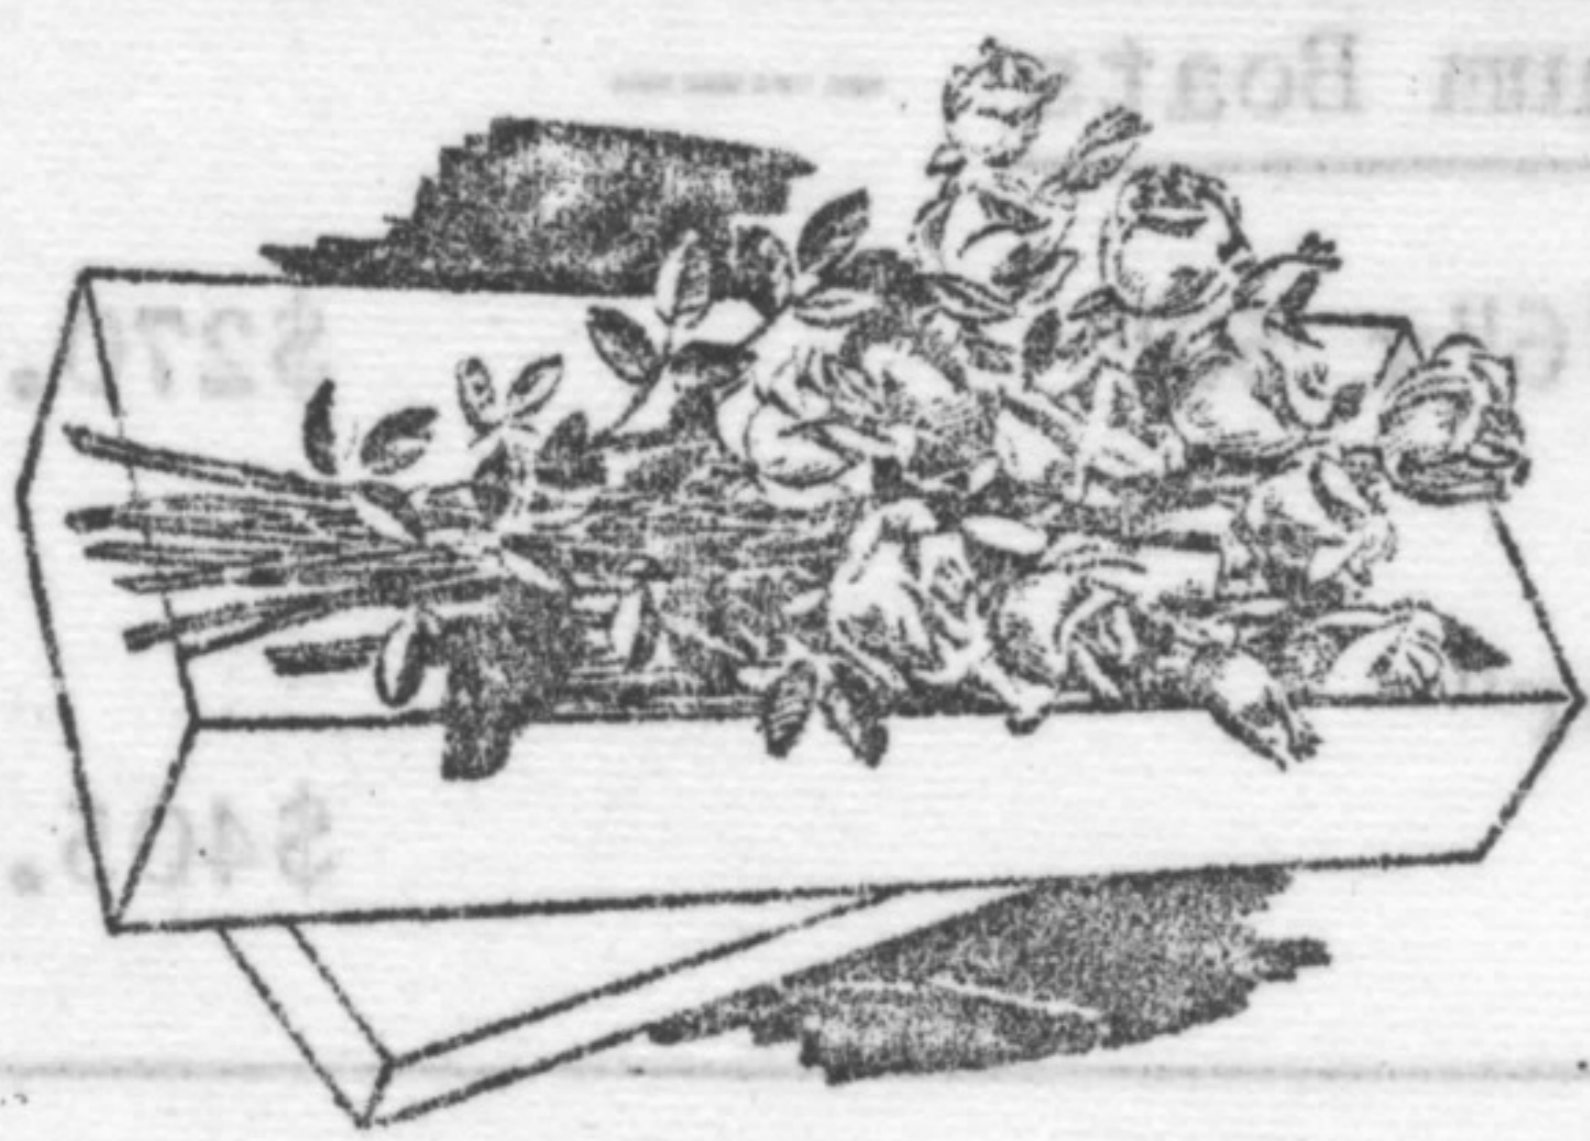

Seeds have been distributed to school children joining the Junior Garden Club and, as in previous years, the gardens must be a minimum size of 4' X 4'. Gardens will be judged approximately the twentieth of each month. Children are advised to leave their dutch onion sets to grow as winter onions so they may enter them in the fair in August. Any child who has not received seeds may do so by going to Mr. H. Goodfellow, 129 Poplar Crescent.

Nasturtium seeds are for window box competition only. This competition is sponsored by the local Kiwanis Club and will be judged only at the fair, not monthly. The boxes should be 24" X 6" X 6" and should be painted.

An essay competition has been conducted among elementary school children in Schreiber and Terrace Bay and from those selected by the teachers of each school an essay submitted by Holly Berndtsson of the Terrace Bay Public School was the unanimous judges' choice. A thank you is expressed to these judges, Rev. Dr. A. Lavender, Mr. Korchuk of the Schreiber High School and Mr. Ken Ward. (Cont'd Page 9)
