

**MINOR BASEBALL**

The first full week in the Minor Baseball schedules saw two games postponed because of rain. These two games - Tigers at Indians in the American League, and Dodgers at Pirates in the National League - will be re-scheduled at a later date.

Games that were played were closely contested, with the following results:

American League		Bantam League	
Yankees 11	Indians 7	Whites 14	Reds 6
Tigers 15	Yankees 9	Reds 7	Blues 6
		Blues 9	Whites 8
National League			
Giants 7	Braves 7 (to be completed)		
Dodgers 8	Braves 4		

Lack of coaches and umpires is still a major problem. We need umpires for the American and Bantam Leagues and coaches for one team in the American League (8 and 9 years), for one team in the National League (10, 11 and 12 years) and for two teams in the International League (6 and 7 years). IF YOU ARE INTERESTED IN HELPING, PLEASE CONTACT THE RECREATION OFFICE NOW!! You will be required to give a maximum of three hours per week, split into two sessions of 1 1/2 hours each.

**CRIBBAGE FINALS**

The final night of the Cribbage Tournament will be held in the Small Meeting Room of the Recreation Centre at 7 P.M. this Wednesday. All games that are not completed by the end of the night will be forfeited. Let's have a full turnout!!

**WEEKEND ART COURSE**

An enthusiastic group of twenty-five people spent the past weekend studying the technique of Canadian landscape painting. The course, a first of its kind here, was under the able direction of Mr. William Roberts, A.R.C.A., O.S.A., C.G.P., C.S.P.W.C.

Impressive? It certainly was; for both instructor and pupils. Also, at times, it was cold, windy, sandy (when the gusty wind blew the canvas down) rainy, "fly-bity", sunny and much more fun than the rest of the Terrace Bay population has all week!

The course consisted of Friday night's session of comment and criticism--outdoor painting and sketching all day Saturday and Sunday and evaluation of work and quick sketching on Saturday night.

In an interview, Mr. Roberts frankly admitted that he came out of (Cont'd Page 9)
