DISTRICT TRACK MEET HERE SATURDAY

The Eastern Zone Junior Track and Field Trials, sponsored by the Canadian Legion, will be held here this Saturday at the High School Grounds. Contestants from all communities east of the Lakehead will compete in all types of track and field events.

Classes for both boys and girls will be broken into three age groups, ranging from 13 to 20 years of age.

Fewer entries than expected have been received, but those entered are our top athletes, so let's have a good crowd. Events begin at 9 A.M.

FAREWELL TO THE LOCKINGS

The Community Farewell for the Dave Lockings' will be held in the High School Auditorium next Monday night, June 27th, at 8.30 P.M.

Guest appearances will include: The Terrace Bay Band, The Harmony Belles (Terrace Bay Ladies' Chorus), and the Terrace Bay Men's Chorus.

Let's all turn out as a fitting tribute to the Lockings who have made a major contribution to our community during their eight years with us.

HELP NEEDED

WE NEED YOUR HELP!!!
During the summer and fall months, a great deal of petty damage is done on the playgrounds, swimming areas and ball fields. None of it is very serious, but added together, the results cause safety hazards, unsightliness and much clean-up work. By the end of June, all of our facilities will be repaired and repainted. **WE NEED YOUR HELP TO KEEP THEM SAFE AND ATTRACTIVE.**

Parents, by spending five minutes with their children, can convince them of the danger and wastefulness of breaking bottles (especially in play areas), marking walls and signs, throwing stones at buildings, throwing debris into the wading pool or swimming area, breaking or climbing fences and all the other thoughtless acts that could be so easily stopped. In addition, when they see anyone committing such acts, they could help greatly by either stopping those responsible or by contacting the Recreation Office.

Other children could help by cautioning their more destructive playmates against causing damage.

Parents and children alike should remember that the facilities belong to the people of Terrace Bay.

HELP US TO KEEP YOUR PLAY AREAS AND EQUIPMENT SAFE AND ATTRACTIVE!!!

FASTBALL GAME SUNDAY - MARATHON VS. TERRACE BAY. DOUBLEHEADER - FIRST GAME AT 1.30 P.M., SECOND GAME AT 4 P.M.

SOD TURNED FOR NEW TERRACE BAY STORE

Last Thursday at 1 P.M., local dignitaries, representatives of the Costa family of Schreiber, Kilbank Construction Co., City Lumber Co., and press, gathered to witness the turning of the first sod for the new Costa store in Terrace Bay, "The Food Master".

The spade was handled by Mr. Des Evans-Smith, Manager of the Imperial Bank here. Manager of the new store will be Tony Costa.

DR. ARTHUR LAVENDER HONOURED ON RETIREMENT

Last Saturday evening a testimonial dinner was held in Hotel Terrace in honour of Rev. Arthur Lavender, D.D., the well loved minister of Terrace Bay Community Church who retires soon and will make his home in Mount Forest, Ontario.

At the head table with Dr. Lavender and his sister, Miss Louise Lavender, were long time friends of the Lavender family. Rev. Russell Peden of Port Arthur and his wife, Mr. Robert Shirriff, Master of Ceremonies, and his wife, and Mr. E. Rowson, Chairman of the Church Board, and Mrs. Rowson.

Tribute to Dr. Lavender was paid by Rev. Peden who, together with several others attending the dinner, related many amusing anecdotes and incidents which were directly connected with Dr. Lavender.

On Sunday, immediately following the morning service, hundreds of friends from Port Arthur, Schreiber, Marathon, U.S.A., Terrace Bay and district gathered on the Community Church grounds to pay tribute to Dr. Lavender.

Those present were invited to the Church Hall where sandwiches, cakes and tea were distributed by a committee convened by Mrs. J. Wade and Mrs. M. Paget. During the serving of lunch the Terrace Bay Band entertained with some stirring selections while Dr. Lavender personally greeted those attending.

The climax of the occasion was the presentation to Dr. Lavender of keys to a completely equipped new car by Mr. E. Rowson. The car was driven on to the scene by Dr. M. McCausland. An insurance policy and a cheque "to buy gasoline" also were included in the gift. Contributions towards the farewell gift were received from many former residents as well as Terrace Bay, Schreiber and district friends.

Dr. Lavender was born on the Island of Barbados in the British West Indies where his father was a missionary. On his father's death, his mother moved to British Guiana where she established a school which she directed for a number of years.

At the age of fifteen he went to England to complete his schooling. For three years in England he worked in a bank in Yorkshire where he commenced preaching in the small country towns and villages. (Cont'd on Pg.9)
