**FASTBALL NEWS AND SCHEDULE**

On Sunday, June 12th, Fastball made its debut in Terrace Bay with impressive opening ceremonies. With the Terrace Bay Band in attendance, Postmaster, Mr. E. Cavanaugh threw the first ball to recreation director Ken Ward. Councillor Joe Heenan was at bat for this opening pitch.

The impressive ceremonies over, the local nine looked anything but impressive as they booted the ball on many occasions and lost to Manitouwadge by scores 11-9 and 14-10.

However, the same team journeyed to Manitouwadge last Sunday and, playing the ball which they are well able to do, came from behind in both games and returned to Terrace Bay with 7-5 and 9-5 victories. Cy Brassard went all the way in the first game and Dave Whalen duplicated Cy's feat in the second game.

Al (Klu) Zygmant led the Terrace Bay attack with six hits and rookie David Wheeler brought the fans to their feet with his sparkling fielding in the closing inning of the second game.

This Sunday at 1:30 the local nine will be host to Marathon for a double header. No admission will be charged. A silver collection will be taken.
