FISH & GAME MEMBERS SEND TAGS TO MICHIGAN

On three occasions this year members of the local Fish & Game Association have landed fish tagged by the Institute for Fisheries Research of the Michigan Department of Conservation in Ann Arbor, Michigan.

Henry Duriez of 411 Elizabeth returned a tag taken from a three pound rainbow trout caught in the Steel River. A reply from Asst. Biologist Martin Hansen of Ann Arbor stated that the fingerling had been released at Presque Isle River, Gogebic County, Michigan, on June 1st, 1959 and weight 11½ ounces.

The fish was one of 141,000 tagged rainbow trout stocked at or near the mouths of various streams in Michigan to determine if hatchery-reared trout can be used to supplement natural runs of "steelheads" from the Great Lakes. Reports of the recapture of these fish are essential and it is hoped that reports of recoveries will be sent in so that the value of this type of planting can be determined.

COMETS WIN DOUBLE-HEADER OVER EAST ENDS

Senior Baseball League Standings to date:

	W	L	GB
Red Sox	12	4	
Westfort	8	6	3
Red Rock	7	6	3 1/2
Terrace Bay	7	8	4 1/2
East Ends	4	8	6
Colonels	3	9	7

Terrace Comets have won their last three games, two of them with decisive scores. It's a guess to know if they have flattened out the bats, plugged the holes or are just beginning to get their batting eye, but they ARE hitting. Kolody has knocked out a home run and two-base hits are in Hansen's regular diet.

On Wednesday, June 29, Comets trimmed Red Rock 8-0. Kolody hurling against (Cont'd P.9)
