

FORMER RESIDENT DIES IN WISCONSIN

Word has been received of the death Sunday July 10th of Hubert Galvin in Rice Lake, Wisc.

An employee of Kimberly-Clark Pulp & Paper Company in Terrace Bay for approximately twelve years, Mr. Galvin and his wife had returned to the United States last winter.

Left to mourn his passing are his widow, two sons, John in the U.S.A., Gary, a Terrace Bay resident, a daughter, Emma (Mrs. Robert McLean) of Schreiber and a sister-in-law and brother-in-law, Mr. & Mrs. George Delong of Terrace Bay.

The funeral will be held in Mauston, Wisconsin.

TERRACE BAY FISH AND GAME ASSOCIATION

At a recent club meeting President Jack Anderson announced that an LP record entitled "Birds of the Forest" would be presented to the local library for use of the schools or the general public. This record presents, with true fidelity, the songs of 22 species of birds found in Ontario. The narrative is most instructive and of interest to all who are interested in identifying the birds we see in this area.

Also, the Club Executive wish to thank all those who took part in the recent fish planting program at local lakes. The assistance of non-members, teenagers, and especially those who loaned vehicles and boats, is sincerely appreciated.

A special thanks to Conservation Officer, Harold Middleton of Pays Plat, who was responsible for the project, and who spent several nights looking after distribution of speckled trout supplied by Dorion Hatchery.

Winners of the Club draw were:- 1st - Ed. Cavanaugh - Cooler; 2nd - Jack Yates - Rod & Box of Lures; 3rd - Jim MacDonald - life jacket.

SWIMMING NEWS

New swimming instructor on the Summer Programme is Marvin Steen, replacing Mary McLellan who was forced to give up the position because of ill-health. Marvin's assistant is Ron Schock, while additional afternoon life-guard service is handled by Paul Heenan.

People using the beach are reminded that, for your own protection beach rules must be enforced. In addition to the standard safety rules, please take note of the following special rules:

1. No tubes or beach balls may be used outside tots' area. More drownings are caused by these "playthings" than by any other.
2. People using flippers and/or snorkels must first demonstrate to the Swimming Instructor that they can swim two laps of the deep pool without these assists, before they will be allowed to use them in the area.

Other rules are posted at the beach. REMEMBER... these rules are for your protection.

ALSO.... anyone wishing to take Royal Life Saving instruction for their bronze medallion should contact the Instructor immediately. Classes will be held from 4:30 to 5:30 three times weekly.

MINOR BASEBALL NEWS

Recent turnouts to Minor Baseball games have been very poor due holidays, camping, etc. Because of this, some changes have been made in teams in all leagues. These are noted as follows:-

MINOR HOCKEY (Cont'd from Page 1)

to purchase some of the equipment so badly needed for next season.

Crests and awards will be handed out to all players in the very near future. SEE NEXT WEEK'S NEWS FOR FULL INFORMATION.

BRADLEY-WADE (Cont'd from page 4)

Jim Bradley was a great booster of Terrace Bay hockey, serving in an executive capacity for many years.

It takes little imagination to realize how the Wade and Bradley families will be missed from this community. The best wishes of everyone who knows them will certainly go with them to their new home in New Brunswick.

SCHREIBER COUPLE ATTEND ASSEMBLY IN TORONTO

John and Linda Ostashek have just returned from attending the Peace-pursuing District Assembly of Jehovah's Witnesses held in Toronto. A record convention audience of 26,702 enthusiastically received the featured discourse of F.W. Franz, Vice-President of the Watch Tower Society. The convention was the biggest gathering of Jehovah's Witnesses ever held in Canada.
