## THE BUSH FIRE SEASON IS HERE!

Residents are reminded that when called upon to suppress a bush fire by an authorized person (Fire Warden deputy or O.P.P.) they must accede. Failure to act can result in severe action against them.

Rates of pay for fire fighters have been established at the rate of their job if during normal working hours and at the rate of \$2.00 per hour thereafter.

Firemen and volunteers should report to the Fire Hall for assignments and not go direct to the fire.
