**NEW REGULATIONS FOR AUTO LIGHTS**

Toronto: Motorists in Ontario must have their lights on half an hour after sunset and half an hour before sunrise under a Highway Traffic Act Amendment which came into effect on August 1st.

It replaces the previous regulation that vehicles lights must be on between dusk and dawn.

Police say the onus will be on drivers to keep within the law by checking times of sunrise and sunset.

**COUNCIL QUOTES**

Reeve Ferrier opened the regular meeting last Wednesday afternoon of the Terrace Bay Council with Councillors Bouchard, Heenan and Evans-Smith, Secretary Strutt and Clerk Hanley attending. Minutes of the past meeting were perused and accepted.

Correspondence included the monthly report on Fire activities and inspections by Fire Chief George Maitland; an invitation from Hydro to attend a sales seminar in Port Arthur; acknowledgement of donation from the Horticultural Society's Show Committee; request for restricted speed of motor vehicles; enquiry to Mr. McKinnon, Department of Lands and Forests, in regard to their intentions at Hayes Lake; request to Mr. Linkewich to improve the property front and a reply to Mr. W.E. Cavanaugh with outline of plans for improvement to the cemetery approaches.

Accounts from Library, Hydro, Township and Recreation Committee were itemized by the Secretary-Treasurer and passed. Amendment to the Dog By-Law to include authority to levy fine on anyone not purchasing dog tags by March 1st was passed. Council noted that in future anyone found tampering with the Kennels will be severely dealt with by the Township.

Council voted on the purchase of a loud Hail for fire fighting and with the one from the Recreation Committee would have two readily available for emergencies.

Mrs. Bouchard enquired about the raising of some fire hydrants for more efficient and faster use, and also of clearance of property adjacent to Howe and Drew; both items will be attended to.

Mr. Evans-Smith explained work was proceeding on Dog and Bicycle By-Laws and the delay in the banner ordered by the Town. Assistance was offered in speeding up delivery of the necessary canvas.

Mr. Ferrier received consent of Council to clear property between the shopping centre and the Highway, allowing the Shopping Centre to be seen from the Highway.
