STORK CLUB

Born to, Mr. & Mrs. H.D. D'Amours, of Schreiber, a son, on August 10th.

BOATING BIG BUSINESS IN CANADA

Boating is getting to be big business in Canada as evidenced by some figures released by Transport Minister Hees recently.

Industry in 1950, he said, produced only 117,730 small boats--canoes, rowboats, sailing craft and outboard and inboard motor boats.

Production has steadily climbed since to 29,365 in 1958.

Canadians now paddle, row or just steer 750,000 small boats--320,000 of them of more than 10 horsepower and under federal license regulations.

Mr. Hees stressed the growing importance and urgency of making these people "safety conscious."

CHECK CLOTHES NOW

Now is the time to check the winter clothing you have stored for the summer.

Valuable apparel may be developing spots of mildew in undisturbed closets, chests and drawers because of summer humidity.

A good shaking and airing now may save time and money later.

You're not "on the job" unless you work safely.
