

ALEX MacDONALD PASSES SUDDENLY

On Saturday, September 10th, Alexander MacDonald passed away suddenly at his home in Terrace Bay. Alex was stricken ill early in July, 1960 and had not been at work since that time. His sudden passing was a shock to the entire community as he seemed to be making good progress and he was in apparent good spirits.

On Sunday, September 11th at 2.00 P.M. in the Community Church a Masonic Funeral service was held for him. At 3.00 P.M. a service for the public was also held. Interment took place in Riverside Cemetery, Port Arthur, on September 13th, from the Everest Funeral Home. The funeral service in Port Arthur was attended by many of Alex's friends from Terrace Bay.

Alex MacDonald was one of the original residents of Terrace Bay. He began working for the Kimberly-Clark mill in May, 1946. He worked as a Head Storekeeper and Head Serviceman being promoted to Materials Handling Foreman in September, 1953 which position he held at the time of his death.

As an "old-timer" of Terrace Bay, Alex was always active in community affairs. He was a charter member of the Curling Club, the Kiwanis Club and the Masonic Lodge. He was a past-president of the Men's Curling Club. He was very active in the Masonic Lodge, being a Past Master of that fraternal organization. He was also a member of the Terrace Bay Recreation Committee for four years and for the past year he was the Chairman of that organization.

Alex is survived by his son Bruce MacDonald of Terrace Bay, his parents Mr. & Mrs. D. MacDonald of Port Arthur, two sisters Mrs. Margaret Crompton of Port Arthur and Mrs. Janet Skinner, Fort William, and a brother John MacDonald of Toronto.

The sympathy of the entire community is extended to those bereaved by Alex's sudden passing.

Notice From The Terrace Bay Fire Department

Anyone caught setting such fires will be turned over to the authorities for discipline. To make sure this does not happen in your garage the door should be kept locked whether your car is in it or not.
