Needed -- Volunteer Workers

The work on the new golf course is progressing. However, it is a slow and tiresome job. Volunteer workers are needed.

All those who wish to help, please get in touch with Al Pattison and give him your name. If enough people volunteer, the work parties can be split up so that no one is called more than once a week.

Also would the people who have birch cut in this area remove it as soon as possible, as it is hindering the work parties in removing the other wood and obstacles.
