TERRACE BAY TOWN COUNCIL FORMS COMMERCE COMMITTEE

At a special meeting of the Township Council on September 21st it was decided to form a committee of Council to be named "Commerce Committee".

Eventually this committee will perform the duties normally carried out by a Chamber of Commerce. In its formative stages for a period of approximately two years, the Township will help, to a limited extent, financially and will also act in an advisory and auditing capacity. At the end of two years the committee will be expected to transform into a separately constituted Chamber of Commerce. A By-Law is being prepared to authorize the financial arrangements.

The following have been invited by the Town Council to serve on this committee:

J. Adamo, J. Caccamo, R. Lindberg, M. Paget and F. Soughton.

A meeting to discuss the functions of this committee with the above individuals was held on September 27th with Reeve J.A. Ferrier and Mr. Des. Evans-Smith, Chairman of the Planning and Development Committee.

This forward looking step by the Town Council will no doubt prove extremely advantageous to the Town of Terrace Bay for, as each year passes the town is becoming more an urban community and, with the inception of the Trans-Canada Highway on our front door, we can expect much more development.

The possibility of a Chamber of Commerce in the near future will give Terrace Bay a strong voice in the future of the district.

The services of those on this Commerce Committee will be much appreciated by the entire community.

VERL THOMPSON ELECTED CHAIRMAN NORTHWESTERN ONTARIO PULP & PAPER SAFETY ASSOCIATION.

On September 22nd the Eleventh Annual Meeting of the Ontario Pulp & Paper Makers' Safety Association was held in the Prince Arthur Hotel, Port Arthur, Ontario.

Representatives from the Terrace Bay Mill who attended this meeting included Mr. R.G. Shirriff, Mill Manager, Ernie Rowson, Joe Ruzyski and V. Thompson.

Thirty-eight delegates from the ten Pulp & Paper Mills in Northwestern Ontario were present.

Past General Chairman - H. Whent, Safety Supervisor, St. Lawrence Corporation, Red Rock.

NATIONAL PULP AND PAPER DAY SEPTEMBER 28th

Pulp and Paper, Canada's leading industry, is observing September 28th as National Pulp and Paper Day.

While the people of this area are well aware of the importance of the industry to local economy, the Kimberly-Clark Pulp and Paper Company has kindly made available a supply of pamphlets, one of which is attached to this issue, providing a brief outline of the impact the entire industry has on the nation's economy.

The readers of this paper, we believe, will appreciate the opportunity to have available the information contained in the attached pamphlet.

EMBS OF KIMBERLY-CLARK TERRACE BAY MILL INCREASE DAILY BENEFITS

At a meeting of the EMBS directors on September 23, revisions to clause 22 of the Society's By-Law were adopted. Daily benefits for each week day lost for a period not exceeding 26 weeks shall be paid at the following rates for sickness and accident:

Three dollars and fifty cents (\$3.50) for the first twenty-four (24) disability days.
Seven dollars (\$7.00) the next twenty-four (24) disability days.

Eight dollars and fifty cents (\$8.50) for any subsequent continuous disability days.

This new clause incorporates two new important changes:-

1. Sundays will be counted in establishing claims for sickness benefits. (No daily benefits will be paid for Sundays)

2. Daily benefits will be increased by \$1.50 (from \$7.00 to \$8.50) after a total of 48 disability days has elapsed.

Full details of this liberalized clause should be obtained from the directors of the Society or may be secured from the bulletin board at the mill.
