FIRE DEPARTMENT INSPECTION OF DWELLINGS

In every community, large and small, home fires are of major concern, chiefly because of the danger to life. It has been estimated that these fires are responsible for about 60% of all lives lost annually by fire. About one half of the home fire deaths happen to children under ten years of age.

The Terrace Bay Fire Department will be making a house to house inspection starting

Monday, October 24th to November 30th from from 9 A.M. to 11:30 A.M. and from 1:30 P.M. to 4 P.M., Monday to Friday. Every effort will be made to not inconvenience the householder. No inspection of dwellings will be made during inclement weather.

WHAT A HOME INSPECTION PROGRAM IS

The home inspection program dramatizes fire prevention, provides a means whereby the Fire Chief can point out to householders existing fire hazards and the ways to eliminate them, and gives Firemen the opportunity to emphasize the importance of fire safety in the home.

WHERE DO FIRES START

About half of all fires start either in the Kitchen or Living room - actually 26.5% in Living Room and 26.5% in the Kitchen. About 14.4% start in halls, closets, etc., 12.3% in bedrooms; 10.4% in basements; 5.2% in concealed spaces in walls and floors, and 4.7% in attics.

Home inspections can help prevent fires from starting. Your co-operation with the Fire Department will be greatly appreciated.

(Signed)

George C. Maitland  
FIRE CHIEF.

TERRACE BAY BAND NEEDS MORE MEMBERS

Since its inception in September 1959, the Terrace Bay Band has grown from an original nucleus of five founders to its present size of some twenty playing members. During this period, old players have improved their playing, and new members have been trained in both reading music and playing a specific instrument.

The Band is a completely independent organization, bound by a constitution, and supporting itself financially through membership fees and money from playing engagements.

The new Band Executive wishes to take this opportunity to publicly acknowledge several unsolicited donations over the past year. These contributions are most welcome and have added much to the band.

Nipigon Elks Club - Twelve Music Stands  
- Two Alto Horns  
- Two Baritone Horns  
- Two Tubas  
- One Side Snare Drum  
- One Tenor Slide Trombone  
- Two Cymbals  
- Assortment of Band Music  
Schreiber Lions Club - Two New Alto Horns  
- One Dance Band Drum Set  
Terrace Bay Recreation Association - One Base Drum  
Terrace Bay Kiwanis Club - \$25.00 Cash  
Private Instrument Donations - One Drum Set (Base and Traps)  
- One Tenor Horn

The primary objective of the band is to provide an outlet for musical expression and appreciation. To this end, the organization is continually looking for new members, with or without musical background. In this way, the band will serve as a training ground for musicians at the same time that it provides a service to the community.

The band is presently made up of residents of Terrace Bay and Schreiber. We hope, however, to eventually serve more than this immediate area, and to extend our field of service to the entire North Shore.

It may be well to note (Cont'd Page 13)
