

TERRACE BAY BAND (Cont'd from Page 12)

note here that the band is currently under the leadership of a fully qualified bandmaster, Mr. Alf Bishop. Alf brings to Terrace Bay a tremendous backlog of musical knowledge and experience, and is a great asset to the band.

Our services are presently available to the North Shore area, and any group interested in hiring the band should submit a request in writing to the Secretary, Bob Hales, at least ten days before the engagement.

We are now in a position to welcome interested members into the band. We have a surplus of instruments over players and would like to fill in our ranks as soon as possible.

ST. JOHN AMBULANCE NOW KNOWN AS SUPERIOR DIV.

A special meeting of the St. John Ambulance Brigade was held in Schreiber over the week-end in the United Church Hall with Area Officers Mr. Fred Farwell, Miss Gertrude Mitchell and Mr. Alex Potter representing the Lakehead. Eight other Divisional Officers and Ambulance Privates also attended.

Mrs. H. Jartus, Division Superintendent of Schreiber welcomed the officers and guests, then invited Miss Mitchell, Area Superintendent of Nursing for Northwestern Ontario, to chair the meeting. She brought greetings from the Lakehead. Mr. Farwell also spoke briefly.

The purpose of the meeting was to change

the name of the division, as the Schreiber Nursing Division is being dissolved and a new combined Division of both Nursing and Ambulance members was to be formed. "Superior Division" was the name chosen by a unanimous vote.

Mrs. H. Jartus requested to resign her duties as Divisional Superintendent, a position she has held for the past six years, since the formation of the Schreiber Brigade. She asked to be placed on Supernumerary Service.

Mr. Wallace Cringle was voted in as the new Divisional Superintendent with Mrs. Dorothy Rummery as Divisional Officer. Mrs. Hilda Relph is Storekeeper and Mrs. Christina Graham, R.N., remains as Nursing Officer. The Office of Secretary-Treasurer is to be filled at the next Brigade meeting.

Mrs. Jartus then thanked all the Brigade officers and members for their assistance and co-operation in carrying out her duties during the past six years.

Presentation of Awards to Brigade members were made by Mr. Farwell as follows:-
 First Aid - Bronze Medallions - Robert Krause, Eino Trudeau, Hilda Relph, Margaret Johnson, Philip Inshaw, James McCuaig.
 Bronze Labels to Medallions - First Aid - Saima Willoughby and Christina Graham (3rd and 5th labels) Dorothy Rummery and Helen Jartus - (7th label).
 Bronze Pendants for Home Nursing - Saima Willoughby (4th Pendant). Hilda Relph and Margaret Johnson (1st Pendants) - Dorothy Rummery (5th Pendant) - Helen Jartus (8th Pendant).

George Vanderlip received a voucher in First Aid and Miss Mary Anne Syvitski received a Certificate in First Aid.

The First Aid Class held last Spring received their Certificates - Mrs. Iris Pegoraro, Mrs. Yvonne D'Amour, Mrs. Ken Dooley and Ken Dooley and Arthur Huard.

A social hour was enjoyed with Mrs. Dorothy Rummery as Convenor.

On Sunday morning the Annual church parade took place at both the St. Andrews United Church and Holy Angels Roman Catholic Church. The Colour party was in charge of Division Superintendent James Main of Port Arthur and the Colours were carried by Wallace Cringle and Eino Trudeau.

For anyone who was unable to register for the Senior First Aid Class in Schreiber at the High School and is still desirous of doing so, registrations will still be accepted at the second lecture to be held on October 24th at 8 P.M.
