ARENA OPENING SET FOR THIS WEEKEND

Unless further difficulties arise, the Terrace Bay Arena Winter Season will begin this coming weekend. Arena schedules will be distributed through the mail and will be posted at each of the schools and on the bulletin boards of the Recreation Centre and Arena. The schedules you receive through the mail will be for a three-week period. Please keep these so that you will be aware of the times of arena events.

BENNY HAYES, MANAGER & DAVE WHALEN COACH OF SUPERIORS THIS YEAR

With a new hockey season fast approaching the Terrace Bay Superiors are just waiting for the ice surface in the arena to be readied.

Benny Hayes, former Superior, has accepted the Manager's job. Benny formerly played with the Geraldton Hockey Team before coming to Terrace Bay. Always a top calibre player, Benny also played with the Air Force. His extensive hockey experience will be a big asset to the Superiors.

Dave Whalen will again coach the club. He has brought the Superior squad a long way in the league during his tenure as coach. It is a matter of record that the year the Superiors ended the season in first place Dave was coach. So with Hayes and Whalen at the helm of the club hopes run high for a real good hockey season.

Most of last year's players will be returning. A few new players include Bob Adamo from the North Stars, Amby LeBlanc, former defenceman with the Kap Huskies, Polhill, former Lakehead junior, S. McLeod who played junior hockey down east, and several others.

This year special emphasis will be placed on giving young local players a chance with the club. All local boys who wish to turn out for practice will be welcomed.

A number of exhibition games have been arranged with Lakehead Clubs. Watch this paper for dates of those games and the dates for practice sessions.

Hockey fans will be anxious to see the team in action and can look forward to a good contending team in this year's North Shore League.

BROOMBALL MEETING THURSDAY

All those interested in playing broomball should attend the meeting in the small room of the Recreation Centre at 7 p.m. this Thursday (October 27th). An effort will be made to elect an executive and to lay plans for the coming season.

IF YOU WANT A SUCCESSFUL SEASON, DON'T MISS THIS MEETING!

Team lists should be presented at this meeting.

BADMINTON NEWS

People interested in playing badminton should note that regular sessions are being

held in the High School gymnasium on Monday and Thursday nights from 8.30 until 10.30. Junior members are encouraged to take part and to note that they may play at a reduced fee. Let's have a big turnout next Thursday night so that we may discuss plans for the coming season. Next Monday's session has been cancelled, to allow for the Children's Hallowe'en Party.
