

LAKE SUPERIOR HIGHWAY ASSOCIATION HOLDS ANNUAL MEETING

This Association held their annual meeting in Port Arthur on Friday, October 28th. The Lake Superior Highway Association represents municipalities, Chambers of Commerce and Tourist organizations on the circle route around Lake Superior.

A new executive and Board of Directors was elected by the Association as follows:-

President - C.W. King of Port Arthur

Sec. Treasurer - R.O. Beggs, Port Arthur

Vice-Presidents elected were, Mayor Roy Lynn of Sault Ste. Marie, Michigan and Bryan O'Brien of Fort William. F.O. Soughton, Chairman of the Terrace Bay Commerce Committee was elected to the Board of Directors as a member at large. The Terrace Bay Commerce Committee is now an official member of the Association.

One objective of the Association has already been achieved: to bring about the building of the highway around Lake Superior. The main objective now is to secure, encourage and publicize travel to and in the Lake Superior area.

Plans are being formulated to give increased publicity to the circle route which, it is hoped, will include publicity by Federal, Provincial and State authorities as well as by area organizations.

The people of Terrace Bay will be interested to learn that the Board of Directors of the Association tentatively plan to meet in Terrace Bay on February 17th, 1961. Previous meetings of Directors have been held in Duluth, Sault Ste. Marie, Fort William and Wawa.

The Directors at this meeting in Terrace Bay will represent all areas of the circle route which will give them a chance to see Terrace Bay and assess what our community and district has to offer the tourists.

KNIGHTS OF COLUMBUS HOCKEY CONTEST

FUTURE MOVIES AT THE HIGH SCHOOL WILL START

AT 6:30 P.M. INSTEAD OF 7.

(continued from page 9)

After inspection we had a game for which we could not find any name. But judging from the outcome, which was, boys lying on the benches at the side of the auditorium with sore heads and backs. The game was suggested by Don Colborne, Senior Patrol Leader of the Troop. After the game we were "drilled" by Scouter Alec Boyd. Following the "Drills" we were called by Scouter Bryan Peterkin to form into lines, each patrol in single file facing the front of the auditorium. When we were arranged accordingly we were told that he was going to start to teach us a course in semaphore because some of the boys didn't know it to good. He then called upon Don Colborne and Chris Cavanaugh for assistance because they had passed their second class signalling. After that we were told to form a horseshoe and Scouter Sam called upon Chris Cavanaugh to show the other scouts the projects him and his patrol had made. First there was the morse code buzzer which they had finished. And secondly there was the home made packboard. After many comments were made we resumed our places and lowered the flag. (Chris Cavanaugh)

Black Bear Banter. (submitted by Bryan McInnes)

The meeting of October 26th opened at about 6.45 with five leaders and twenty one scouts. Colour party was formed from the Fox Patrol. Next we had inspection, after which we had two games under the leadership of the new skipper- Mr. Bishop. Patrol Corners and boys received instruction from the leaders. Colour party dipped the colours and we had scout silence. After parading the flags Scouter John presented the Fox patrol with the "Honour Patrol". We were dismissed early so a court of honour meeting could be held.

Library Trustees Association to hold meeting.

The second conference of the Northwestern Ontario Library Trustees Association is going to be held in Fort William Public Library Auditorium November 18th and 19th 1960.

The programme is being planned around the basic theme for the Conference: Public Relations and the Library. Resource personnel will be drawn from experienced library trustees, from the Department of Education, and Librarians. Mr. W. Roedde, Director of Provincial Library Service, Department of Education of Ontario is giving his strong personal support. The Department of Education is giving its financial aid.

Delegates are expected from each of the twenty-one libraries in Northwestern Ontario.

MALLOVE'EN MERRYMAKERS ENJOY MOOSE DANCE

Last Friday night a gay crowd of masquaraders had a gay time in the suitably decorated Moose Hall. Costumes of all kinds were the order of the evening and judges were hard pressed to decide which prize to award to whom. Des-Evans Smith in his 'unmentionables' captured first prize in the Comic Section and Mr. & Mrs. Bill Weaver of Schreiber were awarded 'Best Dressed' prize. The 'Most original' prize went to Mr. & Mrs. Jerry Soudin who also live in Schreiber and the Spot Dance award went to Mr. & Mrs. Eral Stobart. Plans are now underway for Xmas & New Year Dances.
