CHRISTMAS SEALS NOW DISTRIBUTED
A hard-working committee under the leadership of Mrs. J. Ferrier have finished folding and stamping the envelopes containing the thousands of Christmas Seals that are distributed throughout the district.
The first Christmas Seal Campaign to obtain funds for prevention of tuberculosis in Canada was launched in Toronto and Hamilton in 1908. In succeeding years many Tuberculosis Associations adopted this means of financing their preventive programmes and in 1927 it was made the official method of raising funds on a nationwide basis.
