## GET OUT AND VOTE IN THE ELECTIONS

### TERRACE BAY VOTERS TO POLLS ON DECEMBER 5TH

A biting North wind and drifting snow (the first blizzard of the Winter Season) did not deter a goodly number of citizens from appearing at the Nomination meeting on Monday, Nov. 28th.

Commencing promptly at 7:30 P.M. the incumbent Reeve, J.A. Ferrier and Councillor J.P. Heenan's names quickly headed the list.

Following rapidly were the nominations of A.H. Farrow, D.J. Gillis, D. Evans-Smith and J. Duncan. As the zero hour of 8:30 P.M. approached four more names were added to the list with the nomination of F.O. Soughton and J.P. Heenan for Reeve and Mrs. M. Bouchard and Wm. T. Baillie for Council.

On checking with Secretary-Treasurer Strutt at the Municipal Office on Tuesday afternoon it was learned that J.A. Heenan and F.O. Soughton withdrew from the Mayoralty race and that the seven nominees to Council, J.P. Heenan, A.H. Farrow, D.J. Gillis, D. Evans-Smith, J. Duncan, Mrs. M. Bouchard and Wm. T. Baillie had qualified.

### TOWN HALL MEETING THURSDAY NIGHT

Everyone nominated for Municipal Office is invited by the Terrace Bay Commerce Committee to appear at a Public Meeting on Thursday, December 1st at 8:30 P.M. in the High School Auditorium.

Last year, under the sponsorship of the Terrace Bay Kiwanis Club a very good Town Hall meeting was held. This year interest and attendance should be even better.

In addition to speeches from each of the candidates present, the public will be given an opportunity to ask questions.

Last year a large number of eligible voters turned out at the polls. This year it is hoped that the percentage will increase.

Come out Thursday night and hear the candidates! **THEN VOTE AS YOU LIKE BUT V O T E!!**

This committee, appointed by and operating under a directive of Town Council has been working since an inaugural meeting on Sept. 27th in lieu of and "toward becoming a Chamber of Commerce as quickly as reasonably feasible."

Inheriting from Council such projects as Park Development, Signs, Clearing of Trees and Industrial Development, the Committee, in further meetings, compiled a list for further investigation. From this list seven of the more important items were chosen for immediate attention. These are:- (Cont'd Page 9)
