COMMERCE COMMITTEE (Cont'd from Page 1)

- (1) Motel, (2) Filling Empty Store, (3) Development of lot in front of Shopping Centre,
- (4) Affiliations, (5) "Gem of the North Shore",
- (6) Study appearance of Town from Highway,
- (7) Industrial Promotion.

After reading this far it must be apparent to all those interested in our community that here is a Committee, unselfishly devoting their efforts to something of vital concern to everyone in the community. However, at this first general meeting there was only a handful of interested citizens on hand to hear their report and to accept their invitation to make suggestions and ask questions.

Those who did attend, while not offering too many suggestions which the committee could "bite into" did receive intelligent replies to any questions asked. It should be noted that items listed by this committee are not just "for the good of those in business here". This directly concerns everyone. It is not a merchants Association or Committee; it is a citizens Committee interested only in improving our community.

Copies of the full report which was presented are available from any member of the committee.

COMMENCEMENT EXERCISES (Cont'd from Pg. 1)

of Proficiency Awards and Shields to:-
 (Grade 10) Margaret Shirriff, Arthur Trudeau, Linda McFadyen, Betty Rowson, Paul Heenan - to Maureen Hall, Grade 9 - 85.1%, Margaret Shirriff, Grade 10 - 90.1%, William Colborne, Grade 11 - 92.9%, Sharon-Leigh Locking, Grade 12 - 87.7%. The latter were also presented with gift certificates by Mr. F.O. Soughton on behalf of The Soughton Jewelers Ltd. Mr. Korchuk presented an award to Holly Berndtsson who won the Hort. Soc. Essay Contest. Perfect attendance pins were awarded to Wm. Colborne and Darlene Gombola and on behalf of the Knights of Columbus, Grand Knight M. Nicol presented Mr. Hartman with \$50 for use by the School.

The Mill Manager, Mr. R.G. Shirriff, on behalf of Kimberly-Clark Pulp & Paper Company, conveyed congratulations and reminded everyone of the Company Scholarship available to the Terrace Bay student graduating from any High School in Ontario with a 73% average and a pass in nine Grade XIII papers.

The guest speaker, Mr. I.M. Robb, Field Secretary of the O.S.S.T.F., speaking to the graduates, congratulated them and said that their education had provided them with certain tools (their education) which they would now begin to use in the life-long business of becoming an educated person. An educated person has been defined as "One who knows something about almost everything and who knows almost everything about something."

He answered the question "Why bother with education" and urged his listeners to heed the advice of Polonius who said to his son Laertes "First of all to thine own self be true..... and summing up said "What I want you to remember is "You have been given tools in your schooling so far. Develop the proper attitudes of mind to make use of these tools so that you may become an educated person-- "One who knows something about et cetera."

On behalf of the students and school both Bill Colborne and Mr. Hartman thanked Mr. Robb.

Intermediate and Graduation certificates were presented by H. Hall assisted by P. Saunders. Valedictorian, Sharon-Leigh Locking was unable to be present but had prepared a most appropriate address which was delivered by Edith Adamo. Sharon-Leigh pointed out that students in the smaller High Schools are fortunate in that the teacher-student relationship is closer and attention given more personal. A presentation pin will be sent to Sharon-Leigh.

The President of the Students' Council, Bill Colborne, on behalf of the student body, congratulated the graduates and the program concluded with "God Save the Queen."

A PUBLIC STATEMENT FROM F. O. SOUGHTON

It is indeed an honour to have been nominated for the office of Reeve of Terrace Bay. To those who were responsible for the nomination and to everyone who might have supported me in any way, my sincere thanks.

I have decided not to qualify as a candidate at this time for one simple but very important reason. It is my sincere belief that I can serve Terrace Bay best at this time and in the immediate future by remaining as Chairman of the recently formed Commerce Committee. This committee has a great deal to do that could have a very profound and measurable effect on Terrace Bay's future. At some future date I hope to be able to accept such a nomination.
