EASTERN STAR HOLD MEETING

The regular monthly meeting of Silver Birch Chapter, No. 264 Order of Eastern Star, met on Monday, December 12 at 8 o'clock in the Community Church Hall. Presiding over the meeting were Worthy Matron Nettie Thrower and Worthy Patron Charlie Sitch who conducted the routine business and received reports from various committees.

Following the business meeting, a combined Christmas and Birthday Party was held in honour of the Chapter's Tenth Birthday. Husbands and friends of the members were guests for the Party, joining in singing carols and taking part in guessing contests.

Refreshments were served from the table decorated with a Christmas tablecloth, centred with poinsettias in a white china bowl and offset by green tapers in crystal candelabra. The Birthday Cake, beautifully decorated and adorned with candles donated and made by Louise Corbett was cut by Agnes Bryson after the members and guests sang "Happy Birthday". There were ten Charter members present at this Tenth Anniversary. Refreshment Convenor was Dorothy Rummery with her committee of Louise Corbett, Beatrice Risdale, Christina Graham, Dorothy Richardson, Margaret Kragero, Anna Laine, Annie Baillie, Catharine Whitton and

Colleen Glad.

KNIGHTS OF COLUMBUS HOLD ANNUAL CHRISTMAS PARTY.

About 150 of the small fry - with a large number of their elders - were on hand when Santa made his appearance at the annual Knights of Columbus Christmas Party which was held for Members and their families December 18th, in the Schreiber Guild Hall.

Organized and directed by Sam Chicoine and his youth committee, the afternoon featured the usual merriment, movies, and of course, the star of the show who distributed gifts to all children seven and under.

Assisting in the preparations were Mel Nicol, Mike McGrath, John Parent and Pat Syvitski. Oh yes! Many commented on the striking similarity between Santa and John Branchaud.

FIREPROOF YOUR CHRISTMAS TREE

Fireproofing branches of your Christmas Tree may be done by applying a mixture of nine-parts water glass, which is sodium silicate, and one part water. This will provide a shiny surface to needles. If you are going to spray the mixture, more water will be needed.

MAKE THIS A FIRE-SAFE CHRISTMAS!
