## HAPPY NEW YEAR

Climaxing a week of gay parties and dropping in to exchange Season's Greeting with friends and neighbours, two dances are planned for this Saturday night - New Year's Eve.

The Terrace Bay Curling Club are sponsoring their Fourteenth Annual New Year's Eve Ball - a social event which is one of the most popular of the year. The High School Auditorium will be the scene for the affair and a few reservations are still available. See the advertisement on Page 3 for complete details.

Members of the Moose Lodge and their invited guests have planned a party in the Moose Hall which also promises to be a well-attended and gay affair.

To one and all, whether planning to attend a public gathering or not, the "News" extends the wish for a Very Happy and Successful 1961.

### FRIDAY FILM SHOW CANCELLED

Due to the fact that we are unable to arrange for a suitable film for this Friday, the show has been cancelled. We accept only films judged as A-1 by the National Legion of Decency, and the film originally scheduled for Friday has been classified as A-2.

Film shows will continue on Saturday, January 14th with "The Buccaneer" starring Charlton Heston and Yul Brynner.

### NEW ACTIVITY ROOM AT RECREATION CENTRE

Alterations are underway in the "new" room at the Recreation Centre. The room will be officially opened within the next few weeks, as soon as repairs are completed and games equipment is received.

The new area, once used for billiards only, will soon be used as a club room and lounge area. It will contain ping-pong tables, dart boards, tables for cards, checkers and cribbage, lounge chairs and, eventually, shuffleboard courts.

Tentative schedule for the room is as follows:-

Weekdays: 9 A.M. - 4 P.M. - open to public  
4 P.M. - 8 P.M. - Teen Town  
8 P.M. - 10.30 - open to public

Fridays: 9 A.M. - 4 P.M. - Open to public  
4 P.M. - 10.30 P.M. - Teen Town

Saturdays: 10 A.M. - 4 P.M. - Juniors (under supervision)  
4 P.M. - 10.30 P.M. - Teen Town

This schedule will fluctuate slightly to allow for such things as school examinations, curling bonspiels, hockey games or other events.

It is felt that the changes planned will allow for much better use of the area by a larger percentage of the public.

Watch the "News" for the opening date.

### NEW TOWN CONSTABLE SWORN IN TUESDAY, DEC. 27TH

On Tuesday, December 27th, in the Police Office on Simcoe Plaza, Magistrate T.A. Connor of Port Arthur conducted a short ceremony when Mr. H.R. Billings was sworn in as Police Constable of the Township of Terrace Bay.

Also attending the ceremony were Reeve John A. Ferrier, J. Heenan, J. Duncan, and Corp. F. Richardson of the O.P.P., Schreiber Detachment

### NSHL GAME THURSDAY, DEC. 29 - RED ROCK ROYALS AT TERRACE BAY

Hockey fans will be out in full force tonight (Thursday) to see the Superiors against Red Rock. Superiors haven't played at home since December 15th. On Tuesday, December 27th, The Superiors defeated Nipigon 12 - 4 placing them in a tie position with Red Rock for leadership in the League.

On Thursday night the Soups will be hungry for and determined to win against Red Rock for the first time this year.

The Superiors will play on Thursday without regular goal tender Don Dobson. Don is always a standout in the nets and his excellent goal-tending often is the big factor in a game. There will, however, be one of the reliable spare goalies in the nets. We can all look for some fast, keen hockey at this game.

Game time 8:00 P.M. - Terrace Bay Arena.

### RECREATION CENTRE NEW YEAR HOURS

LOUNGE: Closed from 5 P.M. Saturday, Dec. 31st to 9 A.M. Monday, January 2nd.  
ARENA: Closed from 9:00 P.M. Saturday, Dec. 31st to Monday.

### A HAPPY---AND SAFE---NEW YEAR!

Once again we draw to your attention the suggestions made by the Highway Safety Branch of the Ontario Department of Transport to promote a safe New Year.

Stay alert and keep your mind on your driving and walking.

Don't drive after drinking. If you're walking, take extra care.

Reduce your speed to fit conditions. Proceed with care at dusk and night, driving or walking.

Give pedestrians and other drivers more consideration.

Drive right and be left to enjoy the holidays.

Drive as if your life depended on it--it does!

Pedestrians - avoid that run down feeling. Make that "one for the road" coffee.

- DON'T GO OUT WITH THE OLD YEAR!

ON SUNDAY, JANUARY 1ST THE SUPERIORS WILL BE IN MARATHON TO FACE THE MERCURIES.

HAVE YOU SENT IN YOUR DONATION TO THE TUBERCULOSIS FUND YET?
