TEEN TOWN HOLDS DINNER-DANCE

Last Thursday the local Teen Town held a very successful Christmas Dinner-Dance that was thoroughly enjoyed by over seventy teenagers and guests.

The dinner, a buffet style affair of cold meats, salads and other delicacies, was held in the new games room at the Recreation Centre. During the programme there, President David Wheeler paid tribute to the many people who had assisted with arrangements. Special comment was made on the fine dinner prepared by Edith Adamo and her committee and the outstanding decorations in the games room and the High School done by Linda McFadyen and her committee.

Following dinner, carols were sung and the group adjourned to the High School for a very enjoyable dance.

Part of the dance programme featured novelty dances and games, as well as a number of comedy skits by a group of the boys.

Another first for Teen Town, and a most successful one.

WHO WILL THE 'NEW YEAR' BABIES BE?

The first babies born to Schreiber and Terrace Bay parents in the New Year will again be the recipients of gifts donated by district merchants.

In Terrace Bay the Kiwanis Club sponsor the event, inviting the parents to dinner in Hotel Terrace and making formal presentation of the gifts. In Schreiber the Women's Institute are in charge and Mother and baby are invited to the February meeting when luncheon is served and gifts are presented.
