ATTENTION HOCKEY FANS

At Superior home games ticket sales will be handled as follows:

- Left Window - Rec. Association members
- Right Window - Non-members

Childrens' tickets are sold at both windows. After the ticket sale rush is over, beyond the ten-minute mark of the first period, ALL tickets will be sold from the window on the right.

The Superiors had a busy past week getting in four games, three against Marathon and one with Red Rock. They came out victorious in all but one encounter and that was with Marathon at Marathon Saturday. Two casualties will weaken the team, however. Cy Brassard is out for awhile with a pierced ankle and Don Dobson will be out of hockey for some few weeks due to a dislocation of the shoulder, suffered Sunday when stopping a shot by Marathon. Bill Pytyck has shown that he is versatile in this hockey game; no slouch as a defenseman, he was holding down a wing position Sunday and then stepped into the goal pads to relieve Don and did a first class job. Marathon were unable to penetrate the net once in the two and one half periods. This week the boys will play Nipigon Tuesday, at Nipigon; back to Marathon Thursday, and again at Nipigon Saturday. Sunday they will face Nipigon but on home ice.
