DUQUETTE RINK NORTH SHORE CURLING CHAMP

The Terrace Bay Men's Curling Club were hosts to the North Shore zone play-offs of the Northwestern Curling Association on Feb. 4th and 5th.

Participating were rinks from Manitowadge, Marathon, Terrace Bay, Schreiber, Nipigon and Red Rock. A single round robin was played and after some very keen competition, at the end of five draws, Terrace Bay and Red Rock were tied with four wins and one loss each. This necessitated a play-off on Sunday evening at 7 P.M. between Terrace Bay and Red Rock to decide who would represent the North Shore Zone in Northwestern Play-offs. The Lou Duquette rink with Len Crockford, Ken Johnson and Dan Kenney were victorious by a score of 11 to 9.

The Duquette rink will take part in the Northwestern Ontario Playdowns which will be held in Port Arthur this coming weekend. The winners of this event will represent Northwestern Ontario in the finals between Northwestern Ontario and Northern Ontario to decide the McDonald Briar representative. Red Rock lost their first game to Terrace Bay and won their next 4. Terrace Bay won their first four games and lost their fifth to Marathon. We join the Curling Club executive members in congratulating the Duquette rink and wish them continued success.

PEG WELLINGS RINK WIN LADIES CURLING

The Wellings rink of Terrace Bay came out on top of the ladies zone playoffs held in Terrace Bay on Jan 31st to Feb. 2nd.

The Terrace Bay quartet, consisting of Peg Wellings, skip, Ann Latour, Syl Duquette and Marj Hamilton, made a clean sweep, winning every game they played.

Their top form will, we are sure, take them through their forthcoming encounters in the Provincial Playoffs in Fort William on Feb. 14-15-16.

SCHREIBER AMBULANCE BRIGADE HOLD MEETING

The Schreiber Ambulance Brigade No. 337 held their meeting on Mon. Feb. 6 with W. Cringle presiding and 13 members present.

Schreiber has reason to be proud of the work of the local St. John Ambulance Division. Perhaps their most dramatic incident occurred just over a year ago, when Leonard Godin of Schreiber fell at the Schreiber Ski run and broke his left leg. George Vanderlip of the Schreiber St. John Div. administered first aid and applied a splint. He was then taken from the scene of the accident and driven to Dr. Cornell's office.

St. John Ambulance stands ready to assist all in times of emergency, whether it be in Manitowadge, Marathon or White River. Please help them now, by sending your donation to Mr. R.H. Skinner, P.O. Box 159 in Schreiber.

ST. ANDREWS W.A. (Cont'd from page 3)
