EFFLUENT COMMITTEE MEETS IN TERRACE BAY

The Northwestern Ontario Kraft Mills Effluent Improvement Committee met at the Terrace Bay Motor Hotel Monday afternoon, February 13, 1961. This Committee was formed last fall for the purpose of discussing common problems concerning ways and means of improving industrial waste conditions in the various member mills.

Those attending were:- Douglas Jones, Executive-Secretary, Technical Section, Canadian Pulp and Paper Association. W.S. Cramp, Manager, Research and Technical Service, St. Lawrence Corporation, K.G. LaBerge, Resident Manager, Red Rock Mill, St. Lawrence Corporation, D.H. Clark, Technical Services Superintendent, Red Rock Mill, St. Lawrence Corporation, D.P. Best, Vice President and General Manager, K.V.P. Co., Espanola, Ontario, H.D. Paavilla, Technical Superintendent, The K.V.P. Company Limited, Espanola, C. Steeves, Mill Manager, Marathon Corporation of Canada Limited, Marathon, B.G. Kowak, Technical Superintendent, Marathon Corporation of Canada Limited, P. Berg-Johannesson, Control Superintendent, Dryden Paper Company Ltd., Dryden, R.G. Shirriff, Mill Manager, Kimberly-Clark Pulp and Paper Company Limited, O.A. Mason, Technical Superintendent, Kimberly-Clark Pulp and Paper Company Limited and J.R. Rowley, Control Chemist, Kimberly-Clark Pulp and Paper Company Limited.

After discussing various problems for most of the afternoon, the committee members listened with interest to Jim Rowley describe the effluent measurement, sampling and disposal system here at the Terrace Bay Mill. The committee then visited the mill and observed some of the equipment which Jim had described.

The meeting concluded with dinner at the Terrace Bay Motor Hotel.

SCHREIBER RESIDENTS URGED TO CONSERVE WATER

In an effort to relieve those householders who are deprived of water due to the present low pressure it would be appreciated if the public would refrain from running the water constantly from the hours of 1:00 P.M. to 3:00 P.M.

This does not refer to ordinary household use of water.

DR. McCausland, M.O.H. PRESENTS ANNUAL REPORT

The Medical Officer of Health, Dr. D.J.M. McCausland, in a recent report to the municipal Board of Health, stated that an enviable health record exists in Terrace Bay and reported on the immunization program carried out by the School Nurse, Mrs. Hopper and himself; examinations of school children; the regular inspection of public facilities and laboratory tests of water. Fifty-four births to local residents and a total of 136 births were recorded in the Terrace Bay Private Hospital during 1960. There were two still births and two deaths during the year.

MINOR HOCKEY NIGHT THIS FRIDAY

Don't forget Minor Hockey Night this Friday at the Terrace Bay Arena.

This is the one night in the year that the adults are asked to be out in force to provide moral support for the kids and their coaches. WHETHER OR NOT YOU ARE OUT WILL INDICATE HOW INTERESTED YOU ARE IN THE DEVELOPMENT OF YOUR BOY.

Several out-of-town teams have been included in the programme, to add to your evening of enjoyment. Addition of these teams required a change in the list published last week. The new schedule is as follows:-

Flyweights - Leafs Vs. Canadiens
Peewee House League - Hawks Vs. Leafs
" " " - Canadiens Vs. Schreiber
" " " - Bruins Vs. Schreiber
Bantams - Reds Vs. Whites
Midget - Terrace Bay Vs. Nipigon

Because of the time involved, all games, except the last one, have been shortened. The Midget game will commence at about 8:30 P.M. The entire evening will run from 6:30 to about 9:30 P.M.

BE SURE YOU LET THE KIDS KNOW WE'RE BEHIND THEM BY BEING OUT ON FRIDAY NIGHT.

PAPER OUTPUT UP

Output of the Canadian pulp and paper industry was at a record level in 1960, R.M. Fowler, president of the Canadian Pulp and Paper Association said recently.

He said in his annual report that over-all production rose by five percent in 1960, compared with 1959, with a corresponding rise in the value of the output. He did not give figures.

COUNCIL QUOTES

The Municipal Council of Terrace Bay met last Wednesday afternoon with Reeve John Ferrier presiding and Councillors Evans-Smith, Heenan and Gilles, Secretary F. Strutt and Clerk W. Hanley in attendance.

Fire Chief R. Hofland itemized a report for January of two service calls and one fire at Moore's Garage and regular practice for one Volunteer Captain and ten men. Standards of pay and absenteeism rates for Volunteer Captain, Lieutenant and men was agreed upon for the Fire Department.

The Underwriters inspecting the fire damaged house on Hudson Drive had remarked on the minimum of damage done by fire fighters, reported Councillor Heenan. Reeve Ferrier commended Mr. George Maitland, fire chief during 1960, and expressed the wish that Mr. Cottenden's presentation of the Fire Prevention Award be made to Mr. Maitland in the Municipal Offices.

The Mill Manager, Mr. R. Shirriff, requested policing of the Mill Road.

Councillor Gilles reported for Mrs. Hopper, School Nurse, on the examination of elementary school pupils with the (Cont'd Page 11)
