LOCAL STORE INAUGURATES NEW PLAN

The L & L Food Market has recently made available an interesting plan which should be of considerable help to residents of Terrace Bay where there is a regrettable absence of both clothing and hardware outlets.

Clothing, Hardware and most household items can now be ordered locally at a considerable saving to the customer, while making it possible to eliminate long and expensive trips to out of town suppliers.

This enterprising firm is to be commended for pioneering an effort which should help to alleviate an unfortunate local shopping problem.

Success in life is not a matter of luck-- it requires a great deal of steady and persistent application.

On Monday, Feb. 13th, the police and fire departments were the recipients of a large First Aid Kit each, donated by Waghorn's Pharmacy, Terrace Bay.

These large expensive kits are the latest and most up to date kits available, having been developed by the Ontario Retail Pharmacists Assoc. with research and assistance from several First Aid supply companies, for use in auto accidents.

Making obsolete the Small band-aid type of First Aid box, these new kits include more and larger sterile dressings, crepe bandages, triangular bandages as well as safety pins, scissors and a mouth to mouth rescusitator tube.

FIRE DEPARTMENT NEWS

The Fire Department wish to thank one and all for their co-operation during the month of January. Despite the cold weather, there were few fire calls during this period.

Our fire record for the New Year is: one fire call and two service calls, both of a minor nature. Remember it is up to all of us to help keep fire losses to a minimum. Here are three slogans which will help us all live a longer and a better life:

1. Keep matches away from children
2. Clean and check heating equipment regularly.
3. Avoid overloading electrical outlets.

"HARD TIMES DANCE" SPONSORED BY ART CLUB

Friday, Feb. 10th the Terrace Bay Art Club held a "Hard Times Dance" at the High School Auditorium. All those attending the dance wore hard time costumes and enjoyed dancing to the fine music provided by Adamo's Orchestra.

Cosmo Filane's songs proved to be the highlight of the evening - and this in spite of a balky microphone!

The auditorium was decorated with pictures done in tempera colour. These were not serious works, but were in imitation of the works of famous contemporary artists. Also shown was a sketch of "Hard Luck Harry". Dancers had the opportunity of guessing his identity. The first correct answer drawn belonged to Mrs. Gertrude Cotton who received a coffee carafe. The door prize was won by Mr. Jack Anderson. Prizes for the spot dance went to Mr. Ken Dooley and Mrs. Greta Ginn.
