'WINTER TOUR' GROUP STOP IN TERRACE BAY

Thirty-eight representatives from South Shore Communities in Wisconsin and one from Duluth, passengers in a chartered bus on a 'Circle Tour' arranged by the Ashland, Wisconsin Chamber of Commerce were entertained at a luncheon in the Terrace Bay Motor Hotel last Friday afternoon by the Commerce Committee and the Kimberly-Clark Company Limited. Several members of the party were here to attend a Highway Association meeting.

Several ladies were in the group, among them four Beauty Queens, the Misses Karen Polaski, Bayfield--Jauneen Kessler, Hurley--Pat Reardon, Ashland and Bobbi Jane Engstrom of Superior.

Leaving Ashland on Thursday morning, the group spent the first night at the Prince Arthur Hotel in Port Arthur--had breakfast on Friday morning in Nipigon, lunch in Terrace Bay and were to have dinner and spend Friday night in Marathon. They planned to proceed to Wawa and Sault Ste. Marie for stop-overs on Saturday.

Those making the tour were thoroughly enjoying winter travel and highly praised the Canadian part of the trip.

Two musicians in the group accompanied the others who sang "The Maple Leaf Forever" before starting the lunch which featured fresh Lake Superior Trout. A tour of the Townsite and of the Mill gave the visitors an opportunity to see both working and living conditions in Terrace Bay.

HIGHWAY ASSOCIATION DIRECTORS MEET HERE

Directors of the Lake Superior International Highway Association met in the Recreation Centre, Terrace Bay, on Friday afternoon, February 17th. Attending were members from Sault Ste. Marie, Wawa, Terrace Bay, Port Arthur-Fort William, Wisconsin, Michigan and Minnesota.

The president of the group, Mr. C.W. King of Port Arthur, called the meeting to order at approximately 2:30 P.M. Minutes of a meeting held on October 28th were read by R.O. Beggs, and adopted after incidental corrections were made.

Chairman of the Membership Committee, Mr. H. Hurtig reported on a meeting held by his group in Port Arthur on January 27th and a discussion on conclusions reached at this meeting followed. F.O. Soughton of Terrace Bay led off the discussion on proposed membership structure and rates to be charged.

Promotional organization was also given considerable attention with the adoption of a suitable crest envisaging the 'Circle Route' as the theme one item. Copy-righting of an existing design was another and other ways of bringing the circle route before the attention of the public were also discussed. An American editor's tour

is to be arranged and the local member, at this point, extended the invitation to have the tour itinerary so arranged that luncheon can be served to the editors in Terrace Bay.

Brian O'Brian of Fort William outlined plans for a proposed Sports Car Rally on the Circle Route. An ambitious undertaking, there will be drivers and cars from all over the world with consequent wide publicity.

The representative from Ashland, Wisconsin, D.O. Haese, extended an invitation to the Directors to hold their next meeting (in May) in his city and this was accepted.

C.M. Sheridan of Washburn, Wisconsin, presented the original of a design for place-mats to the Association for distribution or sale as they desire.
