### MINOR HOCKEY NIGHT HELD HERE

Minor Hockey Night Friday, February 17 was a big success at the Terrace Bay Arena, and the credit goes to the Minor Hockey executive, the coaches of the teams, the Ladies Auxiliary to Minor Hockey and to Ken Ward, Recreation Director.

An impressive opening ceremony began the games; all players from Flyweight to Bantam lined up across the ice in their respective groups and were introduced before standing for the National Anthem.

Flyweights began the games and, with referees E. Knight and F. Sechesky officiating, picking up casualties, adjusting equipment and tying laces, the scramble between Leafs and Canadians progressed from end to end as from side to side, like a swarm of bees hovering over the Queen, the youngsters attacked the puck. The game ended nothing all but no North Shore League goal tenders sweated more in the nets than did the young potential in the game, and to the coaches' credit, the defensemen rushed back to protect their zone even though they were completely absorbed by the mass as they followed down over the puck.

Pee Wee House League teams took over after the Flyweights with the Hawks contesting the Bruins in ten minutes of further scoreless hockey. Hawks were fortunate in having Dorman in the nets. His spectacular saves stopped the Bruins bite (cont'd on Page 9)
