BADMINTON NEWS

We hear (from Marathon) that approximately fifteen members of the Marathon Badminton Club drove up here on Sunday, Feb. 18th and enjoyed a very informal series of mixed games with the Terrace Bay Club. A luncheon was served with refreshments provided by the ladies of the local club.

Arrangements are underway for a return engagement when Marathon will play host to the visiting netters, with a social afterwards.

DO'S AND DON'TS FOR SKIERS

Always wear safety straps to contain your ski from continuing downhill, if it should come off when you fall. A pole should never be without a basket. People on rope tows should wear tight jackets. You should always fill in the holes you make when you fall.

REMEMBER, always obey the Ski Patrol. This patrol has been affiliated with the national committee since 1954.

All skiers should familiarize themselves with falling techniques; give full co-operation to ski patrols; don't litter ski areas or trails with paper or rubbish.

SKI CLUB NOTES

With the advent of the recent long-awaited snowfalls the activities of the Ski Club have moved into high gear. Good use is being made of the wider main hill and the newly opened trail to the South; and the warming hut with its refreshment facilities has proven very popular on cold or stormy days. Bruce Rapke's first Ski Class was well attended and will be a regular event on Saturdays from 10 A.M. until noon for the balance of the season. The Recreation Committee sponsored Bruce at the Ski Instructor's School of the Lake Superior Ski Zone in December, and he is passing this training on to other members.

Regarding Fees - At the last General Meeting the fees were set at \$3.00 Junior, \$5.00 Senior and \$7.00 Family. A special executive meeting was held to discuss a fee reduction, due to the shortened season and it was decided that this was not possible due to the large development programme scheduled for the coming summer. Only 22 members have paid to date but it is hoped that all skiers will contribute their share soon to enable the completion of this work.

The major plan for this year is installation of pulleys and a power unit for a rope tow, the rope to be financed next winter through fees and tow charges. In addition the main hill will be further widened and the soil stabilized against erosion, and more trails will be opened. Cost of this work is estimated at \$150.00 for the summer plus \$200.00 next winter for the rope.

Note to Parents - The hill will be patrolled on WEEKENDS ONLY by the Senior members, and

it is recommended that children wishing to ski through the week go in groups in case of an accident. Please remember that dogs and toboggans are strictly forbidden on the hill as they constitute a serious safety hazard.

See you Skiing.

FIGURE SKATING JUDGING CLASS TO BE HELD

SUPERIORS TAKE FIRST PLAYOFF GAME

The Terrace Bay Band added to the tempo of competition with martial and popular tunes preceding and between periods of the first semi-playoff game of the N.S.H.L. between the Superiors and Nipigon Flyers, in which Superiors outsmarted the Flyers 9-3.

Superiors were the strongest team throughout the game but any complacency would be dangerous against Nipigon who have the never-say-die attitude and are dangerous to the last play.

Close checking through the first period kept the score one all. Superiors forged ahead to a comfortable five to one margin at the close of the second, and were close pressed at the beginning of the third by a concentrated Nipigon goal drive. Flyers ran up two fast goals without a retaliation but in their hunger for more opened up opportunities for Superiors to capitalize on breaks.

Superiors maintained a five man attack which accounted for the defenseman Pollard and Pytyck being top scorers with two goals apiece. Best working lines for Sups fell to Calder, Stachiw and Polhill, Stachiw scoring one while Polhill and Calder were in on assists. Whalen, Marv and Maurice Osmar and Adamo all figured in the Superior scoring. Nipigon had Ward, C. Manilla and Dahl as their goal getters. The Defense remained strong and as in playoff hockey the checks were solid, but penalties held to minor infractions.

The second game will be played at Terrace Bay Tuesday, Feb. 28th.
